# Iconic Tile Expands Product Line with Timber Flooring Options

*September 12, 2025*

Smithfield, NSW - September 12, 2025 -
Iconic Tile, a supplier of tiles and bathroom fixtures, announces an expanded range of products, with a wide selection of timber flooring options. Located in Sydney, Iconic Tile strives to offer customers a broad range of home improvement materials, catering to both indoor and outdoor spaces.

The selection of timber flooring from Iconic Tile includes pre-finished solid timber, hybrid flooring, laminate flooring, and engineered timber flooring. These different options cater to various needs. This new Timber flooring can create a natural and cozy look or offer a tough, enduring solution for busy areas. It's popular among homeowners because it blends style with practicality.

"We are thrilled to broaden our offerings with this wide range of timber flooring," says a spokesperson of Iconic Tile. "Offering a wide array of materials showcases our dedication to quality and customer satisfaction. We aim to make sure our customers have access to the finest materials for creating comfortable and visually appealing spaces."

Among the options available, customers can find products like Avala Hybrid Blackbutt, Avala Hybrid Coastal Beige, Avala Hybrid Jarrah, and Avala Hybrid Moschino. Each comes in the size of 1524x183x6.5mm. Iconic Tile focuses on providing both affordability and quality, allowing more homeowners to integrate timber flooring into their designs.

Besides timber flooring, Iconic Tile offers an extensive range of bathroom tiles as well. These tiles are designed to handle excessive moisture and are crafted for easy cleaning, ensuring both functionality and style. With many colors and options, customers can create spaces that are both cohesive and practical.

"Bathroom tiles are key to the durability and look of a bathroom," says a representative from Iconic Tile's sales department. "Our selection is carefully chosen to satisfy modern design needs while providing the durability expected from high-quality tiles."

Beyond these main offerings, Iconic Tiles is well-known for providing comprehensive services. These include supplying kitchen sinks, bathware, natural stones, and tiling tools. Their design consultation services also help guide customers through selecting the right materials, offering expert advice to achieve the desired aesthetic within budget limits. Iconic Tile takes pride in efficient delivery, with many products ready to be shipped within 2-4 business days after order confirmation.

By keeping a wide range of options across different product lines, Iconic Tiles establishes itself as the choice for homeowners and professional designers looking for stylish and reliable materials for construction and renovation projects.

With these new timber flooring options, Iconic Tile further strengthens its position in the market as a provider of both stylish and practical building materials. For further details about the timber flooring options or any other products and services offered by Iconic Tiles, customers can visit the company's website.
