Chattanooga Optometrist Dr. Troy White Moves to Spacious Lee Highway Office

September 03, 2025

September 03, 2025 -
CHATTANOOGA, TN, {Sept. 3, 2025} ? Dr. Troy White Eyecare, a trusted name in Chattanooga eye care for over two decades, has officially relocated from Gunbarrel Road to a new, more convenient office space on Lee Highway. The new practice location, at 7047 Lee Highway, Suite 100, Chattanooga, TN, is now open and accepting patients. Situated just five minutes from Hamilton Place Mall and easily accessible from I-75, Shallowford Road, and Lee Highway, this move was made to provide patients with a smoother and more accessible experience.

?Our new Lee Highway location was designed with patient comfort in mind,? said Dr. Troy White, O.D., founder of the practice. ?We wanted to make it easier for our community to access great eye care without the stress of traffic or tight parking. The new space offers more room and a more peaceful setting while delivering the same level of relationship-driven care we?ve been offering for decades.?

Patients visiting the new office will enjoy complimentary parking just steps from the front door, easier navigation, and the convenience of a quiet commercial complex that makes every visit stress-free. With more space for exams and a refreshed optical experience, the new Lee Highway location improves access and

comfort without sacrificing the warm, personalized care that has defined Dr. Troy White Eyecare since day one.

From the moment patients enter the new office, they?ll notice improvements in layout and the overall flow of the space. The clinic is located at the quiet end of a professional building, away from the noise and congestion of busier corridors. The updated location features expanded exam space, a more inviting optical area, and enhanced amenities designed to improve every step of the patient journey.

For longtime patients of Dr. Troy White, the new location still brings the same familiar faces, attentive staff, and detail-oriented care that?s made him one of the most trusted optometrists in Chattanooga. Every exam, fitting, and consultation continues to be rooted in personal connection, medical expertise, and a commitment to long-term eye health. The team has also expanded its Chattanooga optical experience with a refreshed frame selection and better space for one-on-one assistance.

Conveniently located off Lee Highway, the new office is ideal for families, professionals, and commuters who require care that accommodates their schedules. It?s now easier than ever for patients from across the region to visit a Chattanooga eye doctor without the frustration of navigating mall traffic or crowded parking lots.

Dr. White?s team continues to welcome new patients and remains committed to providing the same personalized service and expert care that has defined their reputation in the Chattanooga community. Whether you?re seeking routine eye care, managing a chronic condition, or looking for the perfect pair of frames, you can count on the team to treat you like family.

Dr. Troy White Eyecare is currently accepting new and existing patients at their new Lee Highway location. To schedule an appointment or learn more about the new location, visit Dr. Troy White Eyecare?s Google Business Profile.
