Siam Legal International Announces Extended Thailand Elite Visa Family Add-On Promotion Through December 2025

September 29, 2025

Bangkok, Thailand - September 29, 2025 -
Siam Legal International, a leading legal and immigration firm in Thailand, announces that the Thailand Privilege Visa Family Add-On promotion has been extended through December 31, 2025. The promotion, which offers a 50 percent reduction on family member additions to Platinum, Diamond, and Reserve memberships, was originally scheduled to end on September 30, 2025.

The extended promotion allows primary Thailand Privilege Visa holders and new applicants to add eligible family members for THB 500,000 each, representing significant savings across all premium membership tiers. Under standard pricing, additional family member fees range from THB 1,000,000 to THB 2,000,000 depending on the membership level selected.

For Platinum Membership holders, who pay THB 1,500,000 for a 10-year visa, the promotion reduces the standard THB 1,000,000 add-on fee to THB 500,000 per family member. Diamond Membership holders, paying THB 2,500,000 for 15-year validity, see their family add-on fees reduced from THB 1,500,000 to THB 500,000. Reserve Membership holders, who invest THB 5,000,000 for 20-year access, benefit from the

largest discount, with family member fees dropping from THB 2,000,000 to THB 500,000.

"This extension provides families with additional time to take advantage of substantial savings while securing long-term residency benefits in Thailand," said Rex Baay, Senior Immigration Consultant at Siam Legal International. "The Thailand Privilege Visa program offers unmatched convenience for families seeking to establish Thailand as their second home, and this promotion makes it more accessible than ever."

Eligible family members include spouses, children, and parents who can provide proper documentation proving their relationship to the primary member. Both existing Thailand Privilege Visa holders and new applicants can utilize this promotion, though early application is recommended as processing typically requires four to six weeks.

Family members added under this promotion receive identical privileges to primary members, including long-term visa validity corresponding to their membership tier, fast-track immigration services, VIP airport assistance, and access to government services concierge for matters such as Thai bank account opening and driver's license acquisition. Additional lifestyle perks and healthcare benefits are also included in the membership package.

Applications can be submitted from within Thailand or internationally through authorized agents who assist with documentation requirements and coordinate directly with the Thailand Privilege Card Company Limited throughout the approval process. After December 31, 2025, family add-on fees will return to standard rates ranging from THB 1,000,000 to THB 2,000,000 based on the selected membership tier. Additional program details and eligibility requirements are available at https://www.thaiembassy.com/thailand-visa/thai-elite-visa.
