

All In Solutions Counseling Center Cherry Hill Expands Outpatient Addiction Treatment Services

September 12, 2025

CHERRY HILL, NJ - September 12, 2025 - PRESSADVANTAGE -

All In Solutions Counseling Center Cherry Hill has expanded its comprehensive addiction treatment services to meet the growing demand for flexible, evidence-based recovery programs in South Jersey. The Joint Commission-accredited facility offers a full continuum of outpatient care designed to help individuals overcome substance abuse while maintaining their personal and professional responsibilities.

The center provides multiple levels of care including Partial Hospitalization Programs (PHP), Intensive Outpatient Programs (IOP), and standard outpatient therapy services. Located strategically near Philadelphia and Trenton, the facility serves as a vital resource for individuals seeking accessible addiction treatment without the need for residential care. The expansion of services addresses the critical need for quality addiction treatment options in the region, where substance abuse continues to impact communities across New Jersey.

What you can expect at All In Solutions Counseling Center Cherry Hill includes individualized treatment plans

that integrate clinical therapy, medication-assisted treatment when appropriate, and holistic wellness approaches. The center's multidisciplinary team develops personalized care strategies that address not only addiction but also underlying mental health conditions through dual diagnosis treatment. Clients benefit from evidence-based therapeutic modalities including cognitive behavioral therapy, trauma-focused treatment, and family therapy programs that involve loved ones in the recovery process.

"At All In Solutions Counseling Center Cherry Hill, we believe recovery should fit into life, not the other way around. Our goal is to provide flexible, accredited, and compassionate outpatient care that meets clients where they are ? whether they need intensive structure or ongoing support," said Kelly Williams, Primary Therapist, LSW.

Treatments included at All In Solutions Counseling Center Cherry Hill encompass specialized programs for various substance dependencies including alcohol, opiates, prescription drugs, cocaine, methamphetamine, and benzodiazepines. The facility also offers specialty tracks such as faith-based recovery programs, gender-specific treatment options, and trauma-informed care. Additional therapeutic components include art therapy, yoga therapy, chronic pain addiction treatment, and an alumni support program that provides ongoing community connection after primary treatment completion.

The center's clinical schedule incorporates a variety of therapeutic approaches that treat the whole person?mind, body, and spirit. Daily programming in the PHP and IOP levels includes group therapy sessions, individual counseling, case management services, and holistic wellness activities. The structured yet flexible approach allows clients to receive intensive treatment while transitioning back to their daily lives, work, or education.

The facility serves as part of the larger All In Solutions network, which operates multiple locations across the United States. The Cherry Hill location was specifically established to address the unique needs of the South Jersey community, reducing barriers to treatment by providing local, accessible care close to home.

All In Solutions Counseling Center Cherry Hill continues to accept new clients and works with most major insurance providers to ensure treatment accessibility. The center maintains accreditation from the Joint Commission, demonstrating its commitment to quality care and adherence to national healthcare standards in addiction treatment services.
