

Lone Wolf Exteriors Announces Home Window Replacement Services Now Available in Flower Mound

September 25, 2025

LEWISVILLE, TX - September 25, 2025 -
Lone Wolf Exteriors, a Dallas-Fort Worth-based exterior renovation company, has announced the availability of its window and siding replacement services to Flower Mound residents. The expansion brings the company's installation services for ENERGY STAR-certified windows and insulated siding products to this North Texas community.

The service expansion addresses growing demand for energy-efficient exterior renovations in Flower Mound as homeowners seek solutions to reduce energy consumption and maintenance requirements. The company provides installation of Mezzo Windows and Prodigy Next Generation Insulated Siding, both of which meet current energy efficiency standards.

"We are now serving Flower Mound with our complete range of exterior services, including home window replacement and siding installation," said a representative from Lone Wolf Exteriors. "Homeowners in the area can access our installation services for windows that meet ENERGY STAR requirements and siding

products that have been recognized by industry publications."

The company's window replacement services in Flower Mound feature Mezzo Windows, which are manufactured in the United States and incorporate ClimaTech insulating low-E glass technology with argon gas fill and the Intercept Warm-Edge Spacer System. These windows meet ENERGY STAR requirements and include a limited lifetime warranty. The windows are available in multiple styles, including double-hung, bay, bow, and custom-shaped configurations.

Lone Wolf Exteriors also provides installation of Prodigy Next Generation Insulated Siding, which was recently named among vinyl siding brands by BobVila.com. The siding features 1.5-inch thick insulation for R-value performance and incorporates an interlocking panel design for weather protection. The product includes integrated EPS rigid foam insulation and is treated with a nontoxic additive that discourages pest nesting.

The Flower Mound service area expansion is part of the company's broader service coverage across Texas communities. The company maintains licensing and insurance coverage for all projects and has established partnerships with finance companies to provide financing options for exterior renovation projects.

Lone Wolf Exteriors provides both residential and commercial exterior services, with residential services available throughout Texas and commercial services offered nationwide. The company's service portfolio includes window replacement, siding replacement, door replacement, and roofing replacement.

The company has operated in the Dallas-Fort Worth area for over 10 years, providing exterior renovation services to Texas homeowners. In addition to its business operations, Lone Wolf Exteriors partners with Kickstart Kids, a program that provides martial arts instruction to adolescents during school hours.

Lone Wolf Exteriors is a locally owned and operated exterior renovation company based in Dallas-Fort Worth, Texas. The company provides window, siding, door, and roofing replacement services to residential customers throughout Texas and commercial customers nationwide. The company maintains full licensing and insurance coverage and offers financing options through partnerships with finance companies.
