April 05, 2016 - PRESSADVANTAGE -

<http://WWW.EICONDENTAL.COM> Eicon Dental Care a dental clinic in Tempe, AZ, is excited to welcome Dr. Randall Dale DDS. to our Dental Family. Dr. Dale previously practiced in Chandler, AZ, but decided his services would be better utilized in Tempe. With his many years of experience, he will be supporting all the services that Eicon Dental currently offers.

Rosie, Eicon Dental's Office Manager, says: "We have made a commitment to our patients to always offer them the best possible care. This means we have state of the art equipment, a highly trained staff and we always strive to be the best in our field. We are very happy to announce that Dr. Randall Dale has decided to join us and that our patients have already expressed how pleased they are with his addition."

Eicon Dental Care offers a full line of dental services to individual patients and families. These services include preventative dentistry, cosmetic dentistry, composite restorations, and periodontal disease treatment. Dr. Dale will be working across all areas of dentistry, though his particular passion is in cosmetic dentistry.

The cosmetic dentistry services provided include porcelain veneers, whitening, porcelain inlay and overlay, porcelain crowns, dental implant restorations and fixed bridges.

Those who have experienced the care of Dr. Dale have been incredibly positive. Jennifer B. quoted: "I am new to Eicon Dental and had previously experienced dental offices that spend 30 minutes or less on my teeth every six months. Dr. Dale took the time to get to know me as a patient and answered all my questions. After my first visit with Dr. Dale and their amazing Hygienist, my teeth felt clean, smooth and my gums weren't sensitive. I highly recommend Eicon Dental to everyone.?"

Those who are interested in the services offered by Tempe's Eicon Dental Care are encouraged to contact the clinic to schedule your comprehensive examination and consultation with Dr. Randall Dale DDS.
