

Window Treatment Company Announces New Franchise in Cumming & Johns Creek

September 19, 2025

Cumming, Georgia - September 19, 2025 - PRESSADVANTAGE -

Bloomin' Blinds of Cumming and Johns Creek, a new franchise location of the national custom window treatment provider, has officially opened to serve homeowners throughout Cumming, Alpharetta, Johns Creek, Ball Ground, and Dawsonville with professional window blinds, shades, exterior patio shades, awnings, draperies, and shutter solutions.

The family-owned and operated business brings comprehensive window treatment services to North Georgia residents, offering custom blinds, shades, and shutters along with professional installation and repair services. Bloomin' Blinds of Cumming and Johns Creek specializes in providing tailored solutions for windows of any size or shape, with options ranging from light-diffusing treatments to room-darkening shades and temperature control solutions.

Bloomin' Blinds of Cumming and Johns Creek is also proud to represent top industry brands including Hunter Douglas, Alta Window Fashions, Norman Window Fashions, Carole Fabrics, Horizons Window Fashions, Insolroll, Graber, Eclipse, Universal Screens, and Sol-Lux among others.

"Opening our franchise in this vibrant community represents an exciting opportunity to bring quality window treatment solutions to homeowners in North Georgia," said Ashley Sasher, owner of Bloomin' Blinds of Cumming and Johns Creek. "Our commitment extends beyond simply installing window coverings. We focus on understanding each client's specific needs, whether they're looking for enhanced privacy, improved energy efficiency, or smart home integration capabilities. Homeowners interested in exploring window treatment options can click to discover custom blinds, shades, drapes, and shutters near you."

Bloomin' Blinds distinguishes itself through its mobile showroom service, bringing samples directly to customers' homes for free consultations. This approach allows homeowners to view materials, colors, and patterns in their actual living spaces, ensuring selections complement existing décor and lighting conditions. The service eliminates the need for multiple trips to showrooms and enables customers to make informed decisions in the comfort of their homes.

Bloomin' Blinds of Cumming and Johns Creek offers motorization and smart home integration options, allowing customers to operate window coverings through pre-programmed schedules or voice commands. These automated solutions provide convenience while enhancing home security and energy efficiency. The company also prioritizes child and pet safety for all installations, ensuring cordless options and secure mounting systems meet current safety standards.

Transparent pricing remains central to the company's business model, with free estimates provided for all projects, with no hidden fees. Financing options are available to accommodate various budgets, making custom window treatments accessible to more homeowners throughout the Cumming & Johns Creek area.

"Customers who want to see our latest updates of exciting things happening in the Cumming and Johns area can check out our Facebook page," Sasher added.

Beyond new installations, Bloomin' Blinds provides on-site repair services for existing window blinds, shades, and shutters, addressing common issues such as broken slats, malfunctioning mechanisms, and worn cords. This comprehensive service approach ensures customers can maintain their window treatments long after initial installation.

Bloomin' Blinds operates as part of a national network of window treatment specialists, combining the resources and expertise of an established brand with personalized local service. The Cumming and Johns Creek franchise joins dozens of locations across the country dedicated to providing custom window treatment solutions for residential and commercial properties. Those looking for more information can visit the website for additional information about available products and services.
