

Clear Quality Auto Glass Highlights Window Tinting Service

September 18, 2025

Las Vegas, NV - September 18, 2025 -
Clear Quality Auto Glass, an auto glass shop serving the Las Vegas area for over 15 years, is highlighting its comprehensive window tinting service. The company's specialized tinting solutions are designed specifically to withstand Southern Nevada's extreme temperatures while providing superior heat rejection and UV protection.

As a certified dealer of Rayno Film, a leading brand in automotive tint technology, Clear Quality Auto Glass offers multiple window tinting options backed by a lifetime warranty. The company's tinting portfolio includes MonoCarbon Film, Phantom Series Nano Ceramic Film, and Platinum Air 7090 Windshield Film, each engineered to address specific customer needs ranging from heat blocking to glare reduction.

"With Las Vegas experiencing some of the highest temperatures in the nation, proper window tinting has become essential rather than optional for vehicle owners," said Pete Hall, spokesperson for Clear Quality Auto Glass. "Our window tinting service goes beyond aesthetics to provide real protection against harmful UV

rays while significantly reducing interior temperatures and improving driving comfort."

The business maintains a 4.8-star rating based on over 533 customer reviews and recently received a five-star review applauding the business for its fast, professional service and fair pricing. The reviewer noted that Clear Quality Auto Glass used quality materials and made the entire process stress-free.

Clear Quality Auto Glass window tinting service includes professional installation at the company's main facility at 5370 South Decatur Boulevard, with each installation registered for lifetime warranty protection through Rayno Film. The company's technicians are trained in the latest application techniques to ensure bubble-free, precise installations that maintain factory appearance while maximizing performance.

Beyond window tinting, Clear Quality Auto Glass provides comprehensive auto glass services, including windshield replacement, chip repair, scratch repair, ceramic nano coating, power window repair, side mirror glass replacement, and ADAS calibration. The company also offers mobile services for customers who require on-site repairs at their home or office.

Operating Monday through Friday from 9 AM to 6 PM and Saturdays from 8 AM to 2 PM, the shop provides appointment-based service to ensure each customer receives focused attention and timely completion of their vehicle's service.

Clear Quality Auto Glass specializes in auto glass and window tinting solutions in Las Vegas, combining over 15 years of experience with auto glass products and technology. The company's South Decatur location features customer amenities, including a water station, arcade games, and a comfortable lobby with television entertainment for those who choose to wait during their vehicle's service.
