September 22, 2025 -
Freedom Cleaning Solutions, a commercial cleaning company started in 2016, continues to expand its comprehensive janitorial services to meet growing demand from businesses seeking reliable facility maintenance partners.

The Casselberry-based company provides commercial cleaning janitorial services to a diverse range of industries, including corporate offices, healthcare facilities, educational institutions, retail centers, theme parks, and industrial sites throughout Orlando, Tampa, Vero Beach, Daytona Beach, and Melbourne. The company maintains 24/7 availability to accommodate varying business schedules and emergency cleaning needs.

"As businesses across Central Florida continue to prioritize clean and healthy work environments, we've structured our services to provide flexible, customized solutions that address each client's specific requirements," said David Lasure, representative of Freedom Cleaning Solutions. "Our team follows strict

OSHA, CDC, and EPA guidelines while delivering consistent, high-quality cleaning services that help businesses maintain professional environments for their employees and customers."

Freedom Cleaning Solutions offers an extensive range of services, including general facility cleaning, restroom sanitization and supply restocking, breakroom and kitchen cleaning, floor care and maintenance, high-touch point disinfection, and day porter services. The company also provides specialized services such as carpet cleaning, pressure washing, soft washing, strip and wax cleaning, tile scrubbing, warehouse floor cleaning, and debris removal.

The company has earned recognition for its service quality, maintaining a 5-star rating based on 119 customer reviews. Clients consistently highlight the company's professionalism, attention to detail, and responsive customer service as key differentiators in the competitive commercial cleaning industry.

"We've built our reputation on reliability and thoroughness, ensuring that every facility we service meets the highest cleanliness standards," added Lasure. "Our trained and vetted staff understands that maintaining a clean environment is essential for business operations, employee health, and customer satisfaction."

The company serves numerous communities, including Altamonte Springs, Apopka, Baldwin Park, Belle Isle, Celebration, Doctor Phillips, Heathrow, Hunters Creek, Kissimmee, Lake Mary, Lake Nona, Longwood, Ocoee, Orlando, Oviedo, Sanford, Windermere, Winter Garden, Winter Park, and Winter Springs. Each location receives customized cleaning plans tailored to specific industry requirements and facility needs.

Freedom Cleaning Solutions LLC also offers green cleaning options utilizing eco-friendly, EPA-approved products for businesses seeking environmentally conscious cleaning solutions. All services are backed by full liability and workers' compensation insurance, providing clients with additional peace of mind.

The company specializes in serving religious facilities, attorney offices, daycare centers, medical facilities, financial institutions, auto dealerships, retail shops, and educational institutions. Each industry sector receives specialized attention to address unique cleaning challenges and regulatory requirements specific to their operations.
