

Kustomz Truck & Auto Expands Comprehensive Vehicle Customization Services in Rapid City

October 24, 2025

Rapid City, SD - October 24, 2025 -
Kustomz Truck & Auto, an auto body and customization shop in Rapid City, South Dakota, has expanded its range of vehicle customization services to meet growing demand from car enthusiasts and commercial clients throughout the Black Hills region.

The expansion encompasses enhanced capabilities in custom audio and video installations, six-door conversions, classic car restorations, and specialized fiberglass repair services for both automotive and marine applications. The shop now offers an integrated approach to vehicle modification that combines traditional craftsmanship with modern technology and techniques.

"We've seen tremendous growth in demand for Professional Vehicle Customization in Rapid City over the past year," said Steve Darling, owner of Kustomz Truck & Auto. "Our expansion allows us to handle more complex projects while maintaining the quality and attention to detail our customers expect. From basic modifications to complete vehicle transformations, we're equipped to bring any automotive vision to life."

The facility specializes in a diverse array of services, including collision repair, paintless dent repair, remote starter installations, and complete interior upholstery work. The shop's technicians are trained in both traditional restoration techniques and cutting-edge customization methods, enabling them to work on everything from vintage classics to modern trucks and SUVs.

For customers seeking Affordable Vehicle Customization in Rapid City South Dakota, the shop offers flexible repair financing options that make custom projects accessible to a broader range of vehicle owners. This financing program has enabled many customers to pursue comprehensive customization projects that might otherwise have been beyond their immediate budget.

The expansion also includes enhanced capabilities for commercial vehicle conversions, particularly six-door and excursion modifications that serve businesses and large families requiring additional passenger capacity. These conversions maintain factory-level safety standards while providing the extra space and functionality clients need.

"What sets us apart is our ability to handle every aspect of a customization project under one roof," added Darling. "Whether someone needs marine fiberglass repair, a complete audio system overhaul, or a ground-up restoration, they don't have to coordinate between multiple shops. This integrated approach saves time and ensures consistency throughout the project."

The shop's marine division provides specialized fiberglass and gel coat repair services for boats and recreational vehicles, addressing a previously underserved need in the Rapid City area. This service expansion reflects the company's commitment to serving the diverse vehicle customization needs of the regional community.

Kustomz Truck & Auto has established itself as a destination for those seeking the Best Vehicle Customization in Rapid City, combining experienced technicians with state-of-the-art equipment and facilities. The company operates Monday through Friday, providing consultation, design, and implementation services for custom automotive projects of all scales.

Established as a premier custom automotive shop, Kustomz Truck & Auto serves the Rapid City area with comprehensive vehicle customization, restoration, and repair services. The company maintains partnerships with leading automotive brands, including BDS Suspension, Fox, JVC, and JL Audio, ensuring access to quality components for all custom projects.
