

## **Milestone Church Announces Grand Opening of New Haslet Campus Facility**

*September 23, 2025*

Haslet, Texas - September 23, 2025 - PRESSADVANTAGE -

Milestone Church is celebrating a milestone moment in the life of its Haslet congregation with the official Grand Opening of its new permanent home on September 28. The Haslet campus, which has been meeting faithfully for the past four years in a local school cafeteria, will now welcome the community into a dedicated facility designed to serve families, students, and individuals seeking a place of worship, connection, and growth.

The launch of the new campus marks the end of years of dedicated effort by volunteers and members who have invested their time, resources, and energy to ensure that weekly gatherings could take place despite the challenges of a temporary venue. Each Sunday involved setup and teardown of equipment, yet the Haslet community remained committed to creating a welcoming and engaging environment. That commitment has now culminated in the opening of a building that will not only provide stability but will also expand opportunities for ministry.

Milestone Church Haslet has established a reputation for offering a welcoming atmosphere where individuals and families can find connection. From the moment guests arrive on campus, volunteers extend hospitality

that has become a hallmark of the Milestone experience. This culture of warmth and care is expected to carry forward into the new facility, with dedicated teams ensuring that every person feels at home when attending services.

The new Haslet campus will feature spaces designed specifically for children and students. Programming is offered from birth through eighth grade to encourage young people to grow in their understanding of faith in an engaging and age-appropriate way. In addition, the campus will be introducing weekly Elevate services for students in grades six through twelve beginning September 17. This new initiative will provide students with a dynamic midweek environment featuring worship, teaching, and activities that foster both spiritual development and community among peers.

Another integral part of Milestone Church Haslet is the opportunity for attendees to participate in the Growth Track, a three-step process that introduces new members to the mission and values of the church. The Growth Track also helps individuals identify their unique gifts and find meaningful ways to contribute, whether through serving on a volunteer team or joining a small group. The church believes this structure not only strengthens the congregation but also provides avenues for building friendships and creating lasting connections.

The Grand Opening service on September 28 is anticipated to be a significant event for both the church family and the broader Haslet community. Special elements are being planned to mark the occasion, underscoring the importance of the day and celebrating the perseverance of the congregation. For many in the community who have watched the Haslet campus grow from its early days in a cafeteria to a thriving congregation ready for a permanent facility, the event will symbolize a new chapter of growth and impact.

Milestone Church has a history of expanding its reach to serve communities across North Texas, and the new Haslet facility reflects a continued investment in ensuring that residents of this rapidly growing area have access to a vibrant church home. The expansion aligns with Milestone's broader mission of reaching people and building lives, a message that has resonated across its multiple campuses.

The Haslet campus is strategically positioned to meet the needs of a diverse community. As families continue to move into the region, the church is prepared to provide not only a place of worship but also a center for support, encouragement, and service. By creating environments tailored for children, youth, and adults, Milestone Church Haslet seeks to ensure that every member of the family can engage in meaningful experiences that foster growth and belonging.

As the September 28 Grand Opening approaches, the church is extending an invitation to residents of Haslet and the surrounding areas to participate in this new chapter. With a welcoming atmosphere, dynamic programs for children and students, and opportunities for personal growth and community involvement,

Milestone Church Haslet is positioning itself as a place where individuals and families can thrive.

Milestone Church remains committed to its mission of serving North Texas communities with a message of faith, hope, and connection. The new Haslet campus underscores this mission and reflects the belief that a permanent facility can become a hub of activity, outreach, and spiritual development for years to come.
