David E. Stanley, APLC, a criminal defense law firm, has announced its continued commitment to providing defense services with a particular emphasis on sex crimes cases. Attorney David E. Stanley, with over 40 years of experience practicing in Louisiana trial courts, leads the firm in representing individuals facing serious charges carrying significant legal and personal consequences.

Facing allegations involving sex offenses in Louisiana can result in criminal penalties, including mandatory registration as a sex offender under statutes such as La. R.S. 15:542 and related laws. These charges can also impact an individual?s reputation and long-term personal and professional life, making strong legal defense critical.

The firm approaches each case with the understanding that every client and circumstance is unique. Defense strategies are customized based on the specifics of the case and Louisiana legal standards. While outcomes cannot be guaranteed due to the complex nature of the law and individual case facts, the firm prioritizes

thorough case evaluations and diligent legal representation.

Attorney Stanley has defended clients in a wide spectrum of criminal matters, including complex state and federal cases. His extensive knowledge of Louisiana criminal law and procedure supports his ability to navigate trials successfully. The firm focuses on detailed case preparation and upholding the legal rights of every client.

David E. Stanley, APLC, reviews each case?s facts and evidence thoroughly and works with investigators to identify and interview witnesses who may provide essential information. The firm also challenges the admissibility and credibility of evidence where appropriate.

Clients are represented in cases involving offenses such as rape (La. R.S. 14:41-14:43), sexual battery (La. R.S. 14:43.1), indecent behavior with juveniles (La. R.S. 14:81), molestation of juveniles (La. R.S. 14:81.2), juvenile pornography offenses (La. R.S. 14:81.1), and human trafficking (La. R.S. 14:46.2). These charges often involve forensic evidence and sensitive allegations requiring careful and assertive defense.

Beyond sex crimes, the firm also handles cases involving homicide, violent crimes, drug offenses, white-collar crimes, vehicular homicide, DWI/OWI (La. R.S. 14:98.1 et seq.), and federal charges.

For those convicted, the firm offers services addressing post-conviction matters such as appeals and petitions for expungements, which are limited under Louisiana law (La. C.Cr.P. arts. 977-978). Certain violent and sex offenses are generally excluded from expungement eligibility, with only narrow exceptions. The firm informs clients about these legal limitations early to help manage expectations and focus on realistic legal options.

Confidential consultations with the firm are generally protected by the attorney-client privilege under La. Code Evid. art. 506, with recognized legal exceptions. Those interested in more information or in arranging a confidential consultation can contact the firm at (225) 926-0200 or visit www.davidstanleylaw.com.
