Elite Visa Thailand Announces Extended Thailand Privilege Card Family Promotion Through December 2025

October 07, 2025

Bangkok, Thailand - October 07, 2025 -
Elite Visa Thailand Co., Ltd., an authorized General Sales and Services Agent for Thailand Privilege memberships, announces the official extension of the Next Member Family Promotion through December 31, 2025. The promotion allows families to add members to Platinum, Diamond, and Reserve tier memberships at a significantly reduced rate of THB 500,000 per family member, representing substantial savings compared to standard fees ranging from THB 1 million to THB 2 million.

The extended promotion period, running from July 1 through December 31, 2025, provides both existing Thailand Privilege Card members and new applicants the opportunity to include eligible family members at the discounted rate. Eligible family members include spouses, children, and parents, with proof of relationship required as part of the application process. The promotion applies specifically to applications bearing reference numbers APP2507-xxxx through APP2512-xxxx.

"This extension represents a valuable opportunity for families seeking long-term residency solutions in Thailand," said Rex Baay, representative of Elite Visa Thailand. "The reduced family add-on fee of THB

500,000 makes the Thailand Privilege Card program more accessible for families who want to experience Thailand together while enjoying the same premium benefits and services."

The promotion encompasses three membership tiers with varying validity periods. Platinum membership provides 10 years of validity, Diamond membership extends to 15 years, and Reserve membership offers 20 years of long-term residency privileges. Under normal pricing structures, adding family members to these tiers can cost between THB 1 million and THB 2 million, making the promotional rate particularly attractive for families planning extended stays in Thailand.

Family members added through this promotion receive identical privileges to the main member, including renewable multiple-entry visas valid for their respective membership duration, VIP airport services with greeting and escort on arrival and departure, fast-track express immigration processing, and dedicated Elite Personal Assistant services. Additional benefits include healthcare coordination, lifestyle perks, and assistance with 90-day reporting requirements mandated by Thai immigration law.

The December 31, 2025 deadline marks the final opportunity to secure these reduced rates before family add-on fees return to standard pricing levels.
