

Jenaluca Herb Scissors Offered On Amazon With Special Promotions

February 27, 2016

February 27, 2016 -

Purcellville, VA - Jenaluca has announced the release of a tool that customers are calling a must have gadget for the kitchen. The product is called Stainless Steel Herb Scissors and is sold exclusively for purchasers on the giant online marketplace Amazon. To entice customers, Jenaluca has offered a set of appealing deals and discounts for the product.

The customer can purchase the herb scissors for under $15. This equates to a discount of $5.00 off the list price. This discount is exactly 25% off the listed price. According to Jenaluca this is a good deal based off the high quality of the product offered. The customer can also afford free shipping if they make purchases over $35. This is because of a normal deal allowed on Amazon.com for specific orders. That means that with purchases of three or more of the herb scissors, the customer can receive their orders shipped free of cost.

The customer can also access other special promotions just from ordering on Amazon. Those who are in the premier club of Amazon Prime, which gives customers further options for shopping, can access two day

shipping. Their order will also be sent without a shipping charge. This creates a significant savings for customers who may order many products online regularly.

The customer can also have the herb scissors gift wrapped. This allows customers a reduced hassle when presenting gifts for their loved ones. According to Jenaluca, the stainless steel herb scissors are great gifts for weddings, birthdays, housewarming parties, and bridal showers. The scissors also comes in its own beautiful package with an attached cleaning comb.

A spokesperson from Jenaluca remarked, ?Our herb scissors are offered with various promotions to ensure customers know they are getting the best deals online. Not only can customers receive a kitchen tool that reduces the tedious task of mincing and chopping herbs, but they do so at a reduced price. The herb scissors are also made with stainless steel which ensures the kitchen tool does not stain or rust easily.?

The herbs scissors has also been receiving positive attention from online shoppers. One five star reviewer on Amazon stated, ?I loved these! They work well with basil and rosemary. Easy to clean and the sheath protects the blades as well as cleans out between them. This is a great product.?

Another reviewer named Ace, loved the fact that the herb scissors saved him time in the kitchen. He said, ?Very practical, sharp, easy to use. Saves time with chopping into tiny pieces! So glad I bought them.?

The Jenaluca Stainless Steel Herb Scissors can be ordered in confidence by online shoppers since it is offered with a 100% lifetime guarantee. Customers are guaranteed their money back or a replacement if they encounter any problems with the product.
