

Dolan Roofing & Construction Appoints Operations Manager to Central Texas Roofing Contractors Association Board

October 09, 2025

October 09, 2025 - PRESSADVANTAGE -

Dolan Roofing & Construction, a family-owned roofing company serving San Antonio since 2016, announces the appointment of Operations Manager Brandy Tilley to the board of directors of the Central Texas Roofing Contractors Association (CTRCA) as a Contractor Director. The appointment reinforces the company's commitment to advancing professional standards and education within the roofing industry throughout Central Texas.

Tilley's appointment to the CTRCA board represents a significant milestone for both the San Antonio roofing company and the regional roofing industry. In her new role, Tilley will work alongside fellow board members to advance the roofing industry through enhanced education initiatives, comprehensive training programs, and the establishment of higher professional standards. These collaborative efforts aim to provide Central Texas property owners with stronger roofing systems, improved customer experiences, and greater confidence when selecting roofing contractors for their residential and commercial projects.

Dolan Roofing & Construction has established itself as a trusted name in the roofing industry, offering comprehensive services including residential and commercial roofing, roof replacement, storm restoration, and emergency roofing services. The company serves numerous communities throughout the San Antonio metropolitan area, including Alamo Heights, Castle Hills, Cibolo, Converse, Helotes, Leon Valley, Live Oak, New Braunfels, Shavano Park, Timberwood Park, and Universal City.

"This appointment represents an incredible opportunity to contribute to the advancement of our industry while ensuring that property owners throughout Central Texas receive the highest quality roofing services," said Brandy Tilley, Operations Manager at Dolan Roofing & Construction. "By working with the CTRCA board to enhance education and training standards, we can help elevate the entire roofing industry and ensure that contractors are equipped with the latest knowledge and techniques to serve their communities effectively."

The CTRCA plays a vital role in maintaining and advancing professional standards within the roofing industry across Central Texas. Through its board of directors, the association develops and implements programs that benefit both contractors and property owners, creating a more transparent and reliable marketplace for roofing services. Tilley's appointment brings valuable operational expertise and a commitment to excellence that will help shape the future direction of the association's initiatives.

As the roofing industry continues to evolve with new technologies, materials, and installation techniques, organizations like the CTRCA become increasingly important in ensuring contractors stay current with industry developments. The association's focus on education and professional development directly benefits property owners who rely on qualified contractors for roof repair. San Antonio residents need, particularly following severe weather events that frequently impact the region.

Dolan Roofing & Construction maintains a strong reputation for quality workmanship and customer service, backed by comprehensive warranties and assistance with insurance claims and financing options. The company's involvement in industry leadership through the CTRCA board appointment demonstrates its dedication to not only serving individual customers but also elevating the entire roofing profession throughout Central Texas.
