

Rooter Hero Plumbing Announces Suite Of Commercial Plumbing Services In Orange County

March 16, 2016

March 16, 2016 - PRESSADVANTAGE -

(Orange, CA) - Rooter Hero Plumbing of Orange County is the emerging leader in terms of commercial plumbing projects. The commercial plumbing company in Orange County offers a full range of services for business owners including water pipe repair, drain cleaning, and scour jet services for businesses. Jessica Perrault, public relations and marketing manager for Rooter Hero Plumbing states that the company's goal is to ensure that business operations never falter due to leaky pipes or other plumbing issues.

"We just want to ensure that businesses in the area know the range of commercial services that we offer," states Ms. Perrault. "No matter what the problem is with your commercial plumbing we can repair it. We also install water heaters, and complete a wide range of other jobs thanks to our qualified and experienced staff."

Perrault states that Rooter Hero Plumbing has years of experience in the commercial plumbing industry. Examples of businesses served include industrial, institutional, light industrial, multi-unit housing establishments, retail locations, medical buildings, and more. Examples of commercial jobs completed include things such as leaky pipe repair, boiler room issues and retrofitting for public restrooms. She says that controlling leaks is crucial for businesses in order to keep water from causing massive damage in other

areas such as flooring and walls. Rooter Hero Plumbing also provides commercial gas re-piping and repair services for businesses. The company states that their goal is to save businesses money by helping them to avoid costly fuel leaks, which can also be hazardous to workers and customers. The company urges businesses with leaks or gas pipe problems to contact them and take advantage of their emergency services.

Rooter Hero Plumbing of Orange County offers a full range of commercial, as well as residential plumbing services. The company has been in business for the better part of two decades, and Perrault states that they plan to continue offering the same quality services to their commercial clients that their residential clients have enjoyed for decades. Business owners who would like more information about the range of commercial services that the company is now offering can learn more on their website at <https://rooterhero.com/orange-county/>.
