Treasure Coast Party Rentals Provides Event Equipment Solutions Across 10 Florida Communities

November 12, 2025

FORT PIERCE, FL - November 12, 2025 -
Treasure Coast Party Rentals operates a comprehensive event equipment rental service from its Fort Pierce location at 608 S Market Ave Unit B, serving 10 communities throughout Florida's Treasure Coast region. The company provides inflatable rentals, tent rentals, table and chair rentals, and event equipment to residential and commercial clients across the area.

Founded by Nicholas O'Brien in August 2016, the business operates Monday through Friday from 9 AM to 5 PM, with half-day Saturday availability and 24/7 online booking through its website at treasurecoastpartyrentals.com. Service Area Coverage Treasure Coast Party Rentals delivers equipment throughout the Treasure Coast region, including Fort Pierce, Port St. Lucie, Vero Beach, Stuart, Jensen Beach, Palm City, Jupiter, Hobe Sound, Okeechobee, and Sebastian.

The company coordinates delivery schedules and setup services across all service areas from its central Fort Pierce warehouse facility. In Fort Pierce, the company serves both residential neighborhoods and commercial

venues with bounce house rentals, tent setups, and complete event packages.

Port St. Lucie clients have access to the full inventory for community events, birthday parties, and corporate gatherings. Vero Beach service includes delivery of water slide rentals and obstacle course equipment for beachside events and inland celebrations.

Stuart and Jensen Beach coverage extends to waterfront venues and residential properties throughout both communities.Palm City residents can book tent rentals, table and chair packages, and inflatable attractions for neighborhood events and private celebrations. In Jupiter, the company provides equipment for events ranging from small backyard parties to larger community gatherings. Hobe Sound service includes delivery and setup for all rental categories. Okeechobee coverage extends the company's reach to inland Treasure Coast communities.

Sebastian clients on the northern edge of the service area have access to the same inventory and delivery options as other locations. Equipment Inventory The rental inventory includes multiple categories of event equipment maintained at the Fort Pierce warehouse.

Bounce house rentals feature various sizes and themes for different age groups and event types.Combo bouncers combine jumping areas with slide attachments for extended entertainment options. Water slide rentals are available in multiple configurations for warm-weather events throughout the Treasure Coast. Inflatable obstacle courses provide competitive entertainment for school events, corporate team building, and community festivals. Tent rental inventory includes frame tents and pole tents in sizes ranging from small backyard canopies to large event structures. Table rental options include round tables, rectangular tables, and cocktail tables. Chair rentals encompass folding chairs, Chiavari chairs, and specialty seating options. Concession equipment available for rent includes popcorn machines, cotton candy makers, snow cone machines, and related serving equipment. All equipment undergoes inspection and cleaning protocols between rentals.

Booking and Delivery Process Customers can reserve equipment through the company's online booking system at treasurecoastpartyrentals.com, available 24/7 for reservation requests. Phone inquiries are handled at 772-281-9850 during business hours. Email reservations can be sent to nicko@treasurecoastpartyrentals.com. The reservation process includes discussing event details, delivery location, setup requirements, and rental duration. Delivery scheduling is coordinated based on event dates and geographic location within the service area. Setup services are included with equipment rentals, with staff handling installation and providing operational instructions. Rental periods are structured to accommodate event schedules, with pickup coordinated following the event conclusion. Equipment is transported in company vehicles equipped for safe delivery of inflatable structures, tent materials, and furniture items.

Business Operations Treasure Coast Party Rentals operates from its Fort Pierce warehouse location, which houses the equipment inventory and serves as the dispatch point for deliveries throughout the 10-community service area. The facility maintains climate-controlled storage for equipment protection.

Nicholas O'Brien manages business operations and oversees equipment maintenance, inventory management, and customer service protocols. The company maintains insurance coverage for rental operations and follows safety guidelines for inflatable equipment setup and tent installations. Contact Information
