Ken Ganley Buying Center Boardman Announces The MEGA Car-Buying Event

October 09, 2025

Youngstown, Ohio - October 09, 2025 -
Vehicle owners across Northeast Ohio will have access to national auction buyers during a two-day event at Ken Ganley Buying Center Boardman. The Car-Buying Event will take place Wednesday, October 15, and Thursday, October 16, 2025, from 10:00 AM to 5:00 PM at 7871 Market St, Boardman, OH 44512.

Direct Access to National Buyers: The event connects local sellers with one of the nation's leading auction companies, giving vehicle owners throughout the Youngstown, Cleveland, Canfield, and surrounding areas access to a network of competing buyers. Vehicles presented at the event will be subject to real-time bidding from buyers across the country. The auction format allows multiple buyers to evaluate each vehicle simultaneously, creating a competitive bidding environment based on current market conditions.

"We're bringing this opportunity to our community," said a representative from Ken Ganley Buying Center Boardman. "Whether someone drives from Youngstown, Alliance, or Newton Township, they'll have access to national buyer competition right here in Boardman."

About Ken Ganley Buying Center Boardman: Ken Ganley Buying Center Boardman is part of Ken Ganley

Automotive Group, the largest automotive retailer in the Midwest. With 54 locations across Ohio, Pennsylvania, and Florida, the group offers an extensive selection of over 10,000 vehicles across 26 makes.

The Boardman buying center was established following the acquisition of Cheddar Auto in November 2022. The buying center focuses on purchasing vehicles from customers. Ken Ganley Automotive Group has been serving the region for decades, building a reputation in the automotive industry through its multi-state presence and diverse brand portfolio.

What Makes This Event Different: The event is designed to provide vehicle owners with access to a broader buyer network than traditional single-dealer transactions. In typical single-dealer scenarios, one buyer makes an offer based on their specific inventory needs and market position.

The auction model expands this by connecting sellers with numerous buyers who may have different inventory requirements and pricing strategies. The event accepts vehicles of any make, model, or condition, including non-running vehicles. This includes older models, vehicles with high mileage, and those requiring mechanical repairs.

Payment is processed on the day of sale. Participants are not required to purchase a replacement vehicle. The process is designed for vehicle owners who are selling without an immediate need to acquire another car, as well as those who may be exploring their options.

Staff members are available to provide vehicle evaluations and guide sellers through the auction process. The evaluation process includes an inspection of the vehicle's condition, documentation review, and preparation for the auction presentation.

Ken Ganley Buying Center Boardman recommends scheduling a vehicle evaluation time in advance. Advance scheduling helps ensure that staff can dedicate appropriate time to each vehicle evaluation and allows sellers to select a time that fits their schedule during the two-day event window.

Interested sellers can call (330) 427-3656 to reserve a time slot or visit the dealership's website at https://kenganleybuyingcenterboardman.com/ to submit questions through the online contact form.

The dealership engages in local sponsorships and community programs throughout the year. The Boardman location serves residents from Mahoning County and surrounding areas, including communities in both Ohio and Pennsylvania.
