

Access Interiors Expands Office Refurb Services Across Hertfordshire

November 14, 2025

Cambridge, CB - November 14, 2025 - PRESSADVANTAGE -

Access Interiors Ltd, a commercial project management company established in 1994, announces the expansion of its comprehensive office refurbishment services throughout Hertfordshire to meet growing demand for modern workplace transformations in the region.

The Cambridge and Ely-based company has enhanced its service offerings to include sustainable refurbishment options alongside traditional office renovation, workspace redesign, and fit-out services. The expansion addresses increasing requests from businesses across Hertfordshire seeking to modernize their work environments while incorporating eco-friendly renovation methods and energy-efficient solutions.

Access Interiors specializes in Office Refurbishment Hertfordshire, providing complete workplace transformations that range from minor interior updates to extensive commercial projects. The company's services encompass office space planning, interior construction, building upgrades, and the installation of modern office systems, including suspended ceilings, partition systems, commercial flooring, and mezzanine floors.

"Businesses throughout Hertfordshire are recognizing that the workplace environment directly impacts employee productivity and satisfaction," said Martin Dawson, Managing Director at Access Interiors. "Our expanded services allow companies to create spaces that not only meet current operational needs but also support future growth while maintaining environmental responsibility through sustainable refurbishment practices."

The company's sustainable refurbishment approach incorporates eco-friendly renovation techniques, energy-efficient systems, and carbon-neutral refurbishment methods. These green building practices help organizations reduce their environmental footprint while creating healthier, more productive work environments. Access Interiors utilizes sustainable materials and implements building upgrades that improve energy efficiency and reduce long-term operational costs.

Beyond refurbishment, Access Interiors provides comprehensive project management services including office relocations, movement management, and dilapidations handling. The company coordinates all aspects of commercial interior projects, working with contractors, suppliers, and stakeholders to ensure timely completion within budget constraints.

The expansion serves businesses across all areas of Hertfordshire, including major commercial centers such as Stevenage, Hemel Hempstead, Watford, and the county town of Hertford. The region's diverse business landscape, from established corporations to growing enterprises, benefits from Access Interiors' ability to deliver customized solutions that address specific workplace requirements.

Access Interiors' approach involves close collaboration with clients to understand their unique needs and deliver solutions that align with performance specifications and budgetary requirements. The company provides free consultations and customized quotes, ensuring businesses receive tailored recommendations for their workspace transformation projects.

Since its establishment nearly three decades ago, Access Interiors has built a reputation for quality service and workmanship, evidenced by a high percentage of repeat business. The company maintains offices in Cambridge and Ely, positioning it strategically to serve clients throughout Hertfordshire and the broader East of England region. Access Interiors continues to adapt its services to meet evolving workplace needs, incorporating modern interior products and design methodologies that support contemporary business operations.
