

KTM Exteriors and Roofing Highlights Four Decades of Exterior Roofing Services

October 17, 2025

HAMPSTEAD, NH - October 17, 2025 -
KTM Exteriors and Roofing, a woman-owned exterior services company serving the Greater Boston area, marks over 40 years of providing comprehensive roofing, siding, and exterior solutions to residential and commercial properties throughout Boston neighborhoods. The company continues to expand its service offerings while maintaining its commitment to quality craftsmanship and customer satisfaction.

With four decades of experience navigating New England's challenging weather conditions, KTM focuses on helping property owners seeking durable exterior solutions. The company specializes in complete roofing systems, including installation, replacement, repair, and maintenance services, alongside comprehensive exterior remodeling, including windows, siding, fascia, soffits, and decks.

"Our longevity in this industry reflects our unwavering commitment to quality and our deep understanding of what Boston properties need to withstand the elements," said a spokesperson for the company. "Every project we undertake, whether it's a small residential repair or a large commercial installation, receives the

same level of attention to detail and craftsmanship that has defined our work for over 40 years."

The company's approach combines traditional craftsmanship with modern techniques and materials designed specifically for New England's variable climate. Recent projects have included securing and enhancing commercial roofs in East Kingston, demonstrating the company's capability to handle complex commercial installations while ensuring long-term durability and protection.

Client testimonials highlight the company's responsive communication, detailed project planning, and meticulous site management. Property owners particularly value the transparent estimation process and the team's ability to complete projects on schedule and within budget. The company maintains a 4.9-star rating based on numerous reviews, with clients praising both the quality of work and the professionalism of the installation teams.

KTM offers specialized roofing options, including shingle, rolled, asphalt, and rubber roofing systems, each selected and installed based on specific property requirements and architectural styles. The company's expertise extends beyond standard installations to include emergency repair services, regular maintenance programs, and comprehensive exterior renovations that can transform property aesthetics while improving energy efficiency.

The company has also introduced flexible financing options to make quality exterior improvements more accessible to property owners. These programs include tailored payment plans designed to accommodate various budgets while ensuring properties receive necessary upgrades and repairs without delay.

"We understand that exterior improvements represent significant investments for property owners," added the Media Contact. "That's why we focus not just on immediate solutions but on installations that will protect and enhance properties for decades to come."

KTM Exteriors and Roofing serves all Boston neighborhoods with fully licensed and insured services. The company offers robust warranties on both workmanship and materials, providing property owners with long-term assurance of quality. As part of its commitment to sustainability, the company also provides eco-friendly roofing solutions and energy-efficient exterior options designed to reduce environmental impact while lowering utility costs.
