October 16, 2025 -
Ward Winning Homes, a premier home remodeling and design firm serving the Northwest Suburbs of Chicago, has expanded its service area to include Palatine, Illinois. The Arlington Heights-based company brings its signature approach to home renovation and custom remodeling to homeowners throughout the Palatine community.

The expansion reflects growing demand for professional remodeling services in Palatine, where homeowners increasingly seek experienced contractors capable of delivering comprehensive renovation projects. Ward Winning Homes specializes in whole-home remodels, kitchen and bathroom renovations, home additions, and basement transformations.

"Palatine represents a natural extension of our service area, and we're excited to bring our expertise to this vibrant community," said Ted, owner of Ward Winning Homes. "The homes in Palatine offer tremendous potential for transformation, whether homeowners are looking to update their kitchens, expand their living space, or completely reimagine their homes. Our team understands the unique architectural styles found throughout the Northwest Suburbs and how to enhance them while meeting modern lifestyle needs."

Since its founding in 2016, Ward Winning Homes has established a reputation for superior craftsmanship and streamlined project management throughout the Northwest Suburban Area of Chicago. The company's portfolio includes numerous completed projects ranging from first-floor revamps to master bathroom renovations and complete kitchen remodels.

The firm's approach emphasizes close collaboration with clients throughout the remodeling process, maintaining open lines of communication from initial design through final completion. This methodology ensures that each project reflects the homeowner's vision while adhering to professional standards of quality and craftsmanship.

Ward Winning Homes offers comprehensive remodeling services tailored to each client's specific needs.

Their kitchen remodeling services incorporate custom options for lighting, cabinetry, tile, countertops, and flooring. Bathroom renovations focus on creating spaces that balance aesthetic appeal with practical functionality and ease of maintenance. The company also provides home addition services, including new bedrooms, home offices, sunrooms, and basement conversions that blend seamlessly with existing structures.
