October 23, 2025 -
Atiyeh Bros. Portland Rug & Carpet Cleaning, a fourth-generation family business with nearly a century of expertise, announces the expansion of its eco-friendly cleaning services throughout the Portland metropolitan area. The company has enhanced its service capacity to meet growing demand for professional rug and carpet care while maintaining its commitment to environmentally responsible cleaning practices.

The expansion comes as Portland residents increasingly seek sustainable solutions for home maintenance and professional cleaning services that align with environmental values. The company has invested in additional equipment and trained technicians to serve more neighborhoods across the metro area while maintaining the quality standards that have earned them a 4.9-star rating from over 500 customer reviews.

"Portland homeowners deserve carpet and rug cleaning services that protect both their investments and the environment," said a spokesperson for Atiyeh Bros. "Our expansion allows us to bring our time-tested methods and eco-conscious approach to more households throughout the metro area, ensuring that fine rugs

and carpets receive the specialized care they require."

The company specializes in cleaning Persian rugs, wool carpets, silk textiles, and Karastan products, utilizing techniques refined over four generations. Their Portland facility on SE Division Street serves as the hub for both drop-off services and mobile cleaning operations. Customers who bring rugs directly to the location receive a 15 percent discount on cleaning services.

Beyond standard cleaning, Atiyeh Bros. Portland Rug & Carpet Cleaning offers specialized services including area rug cutting and binding, fringe repair, and custom rug pad fitting. The company's technicians undergo extensive training in handling delicate textiles and understanding the unique requirements of different rug materials and construction methods.

The expansion includes enhanced scheduling flexibility to accommodate the diverse needs of Portland residents. The company operates Monday through Friday from 7:30 AM to 5 PM and Saturday from 9 AM to 1 PM, with mobile services available throughout the metro area.

"We recognize that each rug tells a story and holds both monetary and sentimental value for our customers," noted the Atiyeh Bros. spokesperson. "Our expansion ensures more Portland families can access the professional care needed to preserve these important pieces for future generations."

The company's commitment to customer service extends beyond the cleaning process. Their team provides detailed estimates, explains cleaning procedures, and offers maintenance advice to help customers protect their investments between professional cleanings. This comprehensive approach has established them as a trusted resource for rug and carpet care throughout Portland.

Atiyeh Bros. Portland Rug & Carpet Cleaning traces its roots back four generations, combining traditional craftsmanship with modern cleaning technology. The company maintains its position as a leading provider of professional rug and carpet cleaning services in the Pacific Northwest, serving both residential and commercial clients with equal dedication to quality and environmental responsibility.
