Thoughtful Services Dry Cleaners In Croydon Surrey Announce Free Collection And Delivery Services

April 11, 2015

April 11, 2015 - PRESSADVANTAGE -

Thoughtful Services Dry Cleaners, a full-service dry cleaning company based out of Croydon, Surrey, has announced their free collection and delivery services for new and existing clients. The company specializes in a multitude of services including ironing, laundry, alterations, and door to door delivery.

One of the other unique features that the company provides is the ability to upload items and their descriptions to the company site before they go in for cleaning or alterations. The form asks for delivery specifics, whether items are to be washed, ironed, or both, as well as any other special details that the Thoughtful Services team should know about the items before they go in for cleaning.

Company representatives encourage people to "contact us", through the company website, found at www.thoughtfulservices.co.uk. This is where dry cleaners prices and special incentives are also mentioned and Thoughtful Services has made it clear that they are proud of their competitive prices and promotions. Currently, new customers will receive 10 pounds off of their first order, and for loyal customers who have been using Thoughtful Services in the past, there is an offer of 10 pounds off the next service when friends or family are introduced to the company through a referral.

Thoughtful Services Dry Cleaners can also be contacted through one of their social media platforms such as Facebook. Visitors to the site can share their experiences or company information through social media platforms other than Facebook as well, such as Twitter, and Google+.

The free collection and delivery offer applies to all orders over 20 pounds, and consumers are informed through the company site that all orders are insured and delivered with company-provided hangers and laundry bags. Most services are relatively low in prices, starting at only £1.05 per article of clothing, such as shirt, pants, or jacket. The company has said the following regarding their collection and delivery and the areas in which it is currently available:

?We collect and deliver in Balham, Beckenham, Banstead, Belmont, Bromley, Carshalton, Caterham, Cheam, Colliers Wood, Coulsdon, Croydon, Crystal Palace, Dulwich, Earlsfield, Ewell, Hayes, Kenley, Morden, North Cheam, Purley, Stoneleigh, Streatham, Sutton, Sydenham, South Wimbledon, Tooting, Wallington, Wimbledon Chase, Wimbledon, West Wickham and Worcester Park.?

Shoe repair is another option that sets these services apart from many competitors in the area. This includes the repair of soles, heels, and other quick fixes, with the promise that shoes will be good as new within 48 hours. The company contact information is made available to all new and existing clients with the suggestion that interested consumers call to inquire about any or all of the services that interest them. The Thoughtful Services team has made it clear that they are happy to share their insight on all services and special offers and look forward to the development of new relationships with potential clients.
