Internet Income Jamaica Launches New Website

March 03, 2016

March 03, 2016 - PRESSADVANTAGE -

KINGSTON, Jamaica ? A more responsive and intuitive design, along with new classes, are among the features of the new Internet Income Jamaica website. The new website was officially launched on March 1st and provides visitors with a more streamlined and user-friendly experience.

In addition to the publishing boot camp introduced in early 2016, which has now become a staple on the company's course schedule, potential students will now be able to sign up other new classes such as blogging, writing classes, and voiceover training by visiting the website. Visitors to the website will also be able to easily browse through the list of courses that are available, along with upcoming boot camps that they might be interested in. Additionally, people who seek proof about the validity of the opportunities available from the courses offered by Internet Income Jamaica will be able to easily browse through dozens of testimonials.

Using the website, potential students will be able to ask further questions by way of the online chat feature, using the social media platforms integrated into the website, as well as telephone numbers for calling the office and communicating via Whatsapp. Several payment options either online payment and information on

paying cash or bank wire are also available to users of the website who want to sign up for a course.

As with existing boot camps that have resulted in the training of hundreds of Jamaicans, many of whom are currently earning a steady income from working online, people who sign up for these courses will have the opportunity to start making money while learning.

Internet Income Jamaica's website relaunch comes as the company has been recognized through articles in the Jamaican Gleaner for being behind the creation of a growing list of successful internet entrepreneurs. The broadening of its course offerings is also in light of a growing acceptance among Jamaicans for online income earning opportunities.

The new website has replaced the current site and can be found at <http://www.internetincomejamaica.com>.
