

Sunshine Preschool & Infant Care Announces Open House Events

March 04, 2016

March 04, 2016 - PRESSADVANTAGE -

Basking Ridge, New Jersey based preschool center Sunshine Preschool & Infant Care has announced upcoming open house events. The open house events are currently scheduled to take place on March 11 and April 8 and 9, 2016 from 9:30 a.m. until 11:30 a.m. at the facility. Renee Hartford, director, states, "We want parents to come in and get a feel for our facility. Our open house is an opportunity for you to meet our staff, tour our facility, and see our classes in action."

Sunshine Preschool & Infant Care is located on private property, close to corporate and residential areas. The preschool facility is open from 7:00 a.m. until 6:00 p.m. and offers programs that include half and full day care, before and after school care, and summer camp for preschoolers.

"We have a wonderful list of programs, and we believe that preschool should be able to develop creative and social skills in children," explains Rene Hartford. The director states that their staff are highly qualified and experienced, and include numerous teachers for different age levels from infant through toddler. Programs are designed specifically for children's age groups as well.

The facility was founded in 2007, and provides affordable preschool care with academically enriched programs. The 14,000 square foot building has three levels with spacious classrooms, along with a gymnasium, imagination room, art room, and a weekly special room. The preschool is currently licensed for infant through pre-kindergarten programs by the state of New Jersey.

The open house events are designed for parents and their children to learn more about Sunshine Preschool & Infant Care, to check out the various classrooms and programs, and generally get to know the staff and how the school works. The preschool states that all open house attendees are eligible for registration fee discounts as well, that is exclusive to those attending the scheduled open house.

Parents or guardians who are interested in attending the open house can click here to get details or register. They can also visit the preschool facility on their official website to learn more about rates, programs, and staff members.
