Aesthetic Plastic Surgery & Laser Center Celebrates Michelle Hardaway's Over 30 Years of Excellence in Patient Care

November 05, 2025

FARMINGTON HILLS, MI - November 05, 2025 -
Aesthetic Plastic Surgery & Laser Center Farmington Hills marks a significant milestone as founder Michelle Hardaway M.D. celebrates over three decades of dedicated service in plastic and reconstructive surgery. The Michigan-based practice commemorates this achievement by reaffirming its commitment to patient-centered care and natural aesthetic results that have defined its approach since inception.

The milestone represents more than a chronological achievement for the Aesthetic Plastic Surgery & Laser Center. Throughout her career, Dr. Hardaway has performed thousands of procedures while maintaining a focus on individualized treatment plans that respect each patient's unique anatomy and aesthetic goals. This patient-first philosophy has established the practice as a trusted resource for aesthetic enhancement throughout Michigan.

"Reaching this milestone allows us to reflect on the evolution of aesthetic medicine and our role in advancing patient care standards," said Dr. Michelle Hardaway, founder and lead surgeon. "Every patient who walks through our doors brings unique goals and concerns. Our commitment has always been to provide

personalized solutions that enhance natural beauty while prioritizing safety and long-term satisfaction."

The practice has evolved significantly over three decades, integrating advanced techniques and technologies while maintaining its foundational commitment to natural-looking results. Dr. Hardaway has overseen the expansion of services from traditional surgical procedures to include cutting-edge minimally invasive treatments. This comprehensive approach allows patients to choose from body contouring procedures, facial and neck surgeries, breast procedures, and non-surgical alternatives, including laser therapy, injectable treatments, and radiofrequency skin tightening.

The center's approach to patient care extends beyond the treatment room. Staff members receive ongoing training to provide compassionate, confidential care that addresses both the physical and emotional aspects of aesthetic procedures. This comprehensive methodology has resulted in consistently high patient satisfaction ratings and a 4.6-star rating based on over 200 patient reviews.

Throughout her career, Dr. Hardaway has witnessed significant advances in surgical techniques, recovery protocols, and patient safety standards. The Aesthetic Plastic Surgery & Laser Center Farmington Hills location features state-of-the-art surgical facilities and equipment that reflect these advances. The practice has established detailed protocols that prioritize patient safety at every stage of treatment, from comprehensive pre-operative assessments through post-operative care plans.

"The field of aesthetic surgery has transformed dramatically over the past thirty years," noted Dr. Hardaway. "We have seen remarkable improvements in surgical precision, recovery times, and the range of options available to patients. What remains constant is our dedication to helping patients achieve their aesthetic goals safely and effectively."

The practice continues to serve patients seeking various aesthetic enhancements, from addressing changes due to weight fluctuations, pregnancy, or aging to preventive treatments that maintain skin health and appearance. Each treatment plan begins with a comprehensive consultation that considers not only the desired outcome but also factors such as lifestyle, recovery time, and long-term maintenance.

Aesthetic Plastic Surgery & Laser Center, Michelle Hardaway M.D. operates from a modern facility in Farmington Hills, Michigan, providing a comfortable and private environment for consultations and procedures. The practice offers a full spectrum of surgical and non-surgical cosmetic procedures, maintaining its reputation for delivering personalized aesthetic solutions that prioritize both natural-looking results and patient safety.
