

The Grounds Guys of Rapid City Announces Expanded Service Offerings for SD Residents

November 21, 2025

RAPID CITY, SD - November 21, 2025 - PRESSADVANTAGE -

The Grounds Guys of Rapid City announces expanded landscaping and lawn care services to meet growing demand from residential and commercial clients throughout the Rapid City area. The locally owned and operated company has enhanced its service portfolio to include comprehensive solutions ranging from traditional lawn maintenance to specialized artificial turf installation and power washing services.

The expansion comes as the company responds to increasing requests for diverse landscaping solutions in the region. Supported by The Grounds Guys of Rapid City, the enhanced service offerings now encompass nine distinct categories including lawn and grounds maintenance, landscape design and installation, fertilization and pest control, holiday lighting, snow and ice management, flower and garden bed maintenance, tree and shrub care, artificial turf services, and power washing.

"We recognized that property owners in Rapid City needed a single, reliable source for all their outdoor maintenance needs," said Johnny Lazear, owner of The Grounds Guys of Rapid City. "By expanding our

services, we can now provide comprehensive care for every aspect of outdoor spaces, from basic lawn mowing to complex landscape design projects and seasonal services like snow removal and holiday lighting."

The company's lawn and grounds maintenance services include lawn aeration, dethatching, seed service, sod installation, stump removal, aquatic and pond management, drainage solutions, irrigation system work, and seasonal clean-up. Their landscape design and installation division offers hardscape design, landscape lighting, and seasonal display installation. Proudly serving landscaping in Rapid City South Dakota, the company has invested in specialized equipment and training to deliver professional results across all service categories.

The fertilization and pest control services address common lawn health issues through targeted treatments for weeds, pests, and nutrient deficiencies. The company's tree and shrub maintenance includes fertilization services, ornamental pruning, and tree trimming and removal. For commercial and residential clients seeking low-maintenance alternatives, The Grounds Guys now offers artificial turf installation, replacement, and repair services.

Winter services have become an essential component of the company's year-round offerings. Their snow and ice management includes snow clearing, plowing, ice melting, salting and sanding, and snow relocation services for both residential driveways and commercial parking areas. During the holiday season, the company provides professional lighting installation services for homes and businesses.

"Our goal is to maintain beautiful, healthy outdoor spaces throughout every season," added Lazear. "Whether clients need regular lawn maintenance, a complete landscape redesign, or emergency snow removal, our team has the expertise and equipment to handle projects of any size."

Community landscaping by The Grounds Guys of Rapid City extends beyond individual properties to include commercial facilities and homeowner associations. The company's power and pressure washing services help maintain the exterior appearance of buildings, decks, driveways, and other outdoor surfaces.

The Grounds Guys of Rapid City operates as part of a national network while maintaining local ownership and management. The company serves Rapid City and surrounding areas with a team of trained landscaping professionals who understand the unique climate and soil conditions of South Dakota. Their commitment to sustainable practices includes proper water management, environmentally responsible pest control methods, and efficient snow and ice management techniques that minimize environmental impact while ensuring safety.
