Book Description: WINGDOG: Soul Pup

Angels do indeed come in fur suits.

It's love at first sight... for both of them. An abandoned yet tenacious pup with one blue eye and one brown eye beats the odds and is enlisted as one woman's WINGDOG. It's a role he takes seriously, but he knows that his human needs more than just another set of eyes and ears. He must show her how to laugh and how to love again. His loyalty knows no bounds, and he takes his duties seriously riding shotgun as the pair travel life's highway.

For readers who enjoy contemporary canine classics such as MARLEY & ME, THE ART OF RACING IN THE RAIN, and A DOG'S PURPOSE, Janelle Jalbert's "Magical Mutt Memoir" combines the best of these storytelling traditions. Told as a memoir - adhering to how events unfolded - one woman seeks establish a new life after moving across the country from California to North Carolina. Her chance at a new normal arrives in the form of Goose, a pup that melts not only her heart but also the hearts of everyone that he meets. As they travel coast-to-coast and places in between, the bond that the two share proves that love and loyalty can transcend even the greatest of obstacles.

WINGDOG: SOUL PUP is a heart-warming, emotional ? and oftentimes comical ? tale of how one pup becomes the consummate WINGDOG only to transform into the ultimate Soul Pup.
