

Atlanta National Pickleball Club Adds Mina Muirhead to Expand Member Services and Event Offerings

November 14, 2025

November 14, 2025 -
Atlanta National Pickleball Club has appointed Mina Muirhead as its new Membership and Event Sales Representative, strengthening the club's commitment to delivering exceptional experiences for members and guests at the premier pickleball destination set to open November 19th in Alpharetta, Georgia.

Muirhead will focus on growing the club's pickleball community while coordinating events that showcase the facility's 18 indoor courts and luxury amenities. Her responsibilities include connecting with local organizations, corporations, and players to create memorable experiences both on and off the court.

The Atlanta National Pickleball Club facility will feature amenities beyond its championship courts, including a fully equipped gym with expert trainers, in house restaurant and full bar, wellness and sauna services, luxury locker rooms, and regular member entertainment.

The appointment reflects the club's continued growth as it prepares to become one of Georgia's premier

pickleball destinations. Muirhead will oversee the development of private pickleball events and corporate pickleball events, working with clients to customize experiences that range from intimate gatherings to large-scale company outings.

"Mina brings tremendous enthusiasm and vision to our team as we build something truly special for the pickleball community," said John Bardis, Founder of Atlanta National Pickleball Club. "Her role is essential in helping us connect with organizations and individuals who want to experience pickleball in an elevated setting, whether for team building, celebrations, or simply enjoying this rapidly growing sport."

Muirhead's appointment comes as pickleball continues its surge in popularity across the United States, with participation growing by nearly 40 percent annually, according to recent industry reports. The sport's accessibility and social nature make it ideal for both athletic activities and networking opportunities.

The club's event offerings include curated food and beverage packages, dedicated event spaces, pickleball gameplay options, and comprehensive planning services. Corporate clients can utilize the facilities for team-building activities, including friendly matches, group learning sessions, and custom tournaments designed to strengthen professional bonds. Private pickleball events offer various options suitable for birthday parties, anniversaries, holiday gatherings, and brand activations.

Organizations and individuals interested in hosting events can explore options through the club's dedicated event pages or contact Muirhead directly to discuss customized experiences. The club offers flexible packages that accommodate groups of various sizes and skill levels, ensuring that both seasoned players and newcomers can enjoy the facilities.

Atlanta National Pickleball Club represents a new standard in pickleball facilities, combining athletic excellence with hospitality and wellness services. The club currently offers pre-sale memberships at special rates as it approaches its November 19th opening. The facility aims to serve as a hub for the growing pickleball community in the greater Atlanta area, providing year-round playing opportunities in a climate-controlled environment with professional-grade courts and comprehensive member services.
