

Mobile Party EFXs Plus Opens Event Rental Business in De Pere

January 09, 2026

DE PERE, WI - January 09, 2026 - PRESSADVANTAGE -

Mobile Party EFXs plus, a party and event rental company, will open for business in De Pere in February 2025, offering inflatable rentals, tents, tables, chairs, and concession equipment to Northeast Wisconsin communities. The company operates from W 189 Rueden Rd. in De Pere and serves Green Bay, Appleton, Hobart, Ashwaubenon, and Suamico. Owner Jeff Chadwick established the business to provide event rental equipment across multiple categories from a single provider. "Families and businesses were coordinating rentals from multiple vendors or dealing with limited availability," Chadwick said. "We're providing rental equipment across multiple categories from one location."

Inflatable Rentals and Entertainment Options The company's inflatable inventory includes bounce houses in various sizes and themes for birthday parties, obstacle courses for competitive events, and interactive inflatable games. These units are designed for both residential backyard events and larger community gatherings such as school field days and festivals. All inflatable equipment undergoes regular safety inspections and cleaning protocols. For entertainment, Mobile Party EFXs plus offers lawn games including oversized Jenga and Connect Four, carnival-style game stations, and interactive sports challenge games. The company also provides outdoor movie screens in multiple sizes, paired with projection equipment and audio systems for backyard movie nights, drive-in style community events, and outdoor presentations.

The tent selection ranges from 20-person canopies suitable for graduation parties to larger structures designed for corporate events and wedding receptions. All tent rentals include setup and takedown services, with timing coordinated to accommodate event schedules and Wisconsin weather patterns. Tables are available in round configurations for wedding receptions and rectangular formats for buffet setups. Chair options include folding chairs for casual gatherings and additional seating styles for formal events. Furniture rentals can be configured to accommodate events ranging from small family gatherings to large corporate functions.

Concession equipment available for rent includes popcorn machines, cotton candy makers, snow cone machines, and complete concession setups for festivals and fundraisers. This equipment is maintained in the company's climate-controlled storage facilities located in De Pere. The concession offerings serve various event types including school fundraisers, corporate employee appreciation events, neighborhood block parties, and community festivals. Equipment comes with operating instructions and necessary supplies can be coordinated through the rental process.

Mobile Party EFXs plus delivers and sets up equipment throughout Northeast Wisconsin. In Green Bay, the company serves both residential neighborhoods and downtown business districts. The Appleton service area extends throughout the Fox Cities region, including College Avenue business locations and surrounding residential areas. Service extends to Hobart, where the company accommodates both rural properties and suburban developments, working with clients on property access and setup logistics for various property types. In Ashwaubenon, Mobile Party EFXs Plus serves residential neighborhoods and commercial areas near Lambeau Field. Suamico residents have access to the full equipment inventory for family gatherings and community events. The company's delivery area encompasses the interconnected communities of Northeast Wisconsin, with service scheduling coordinated to ensure timely arrival and setup for all events regardless of location within the coverage zone.

The business operates throughout the calendar year, adjusting inventory availability based on seasonal demand. Spring events include graduation parties, wedding showers, and outdoor celebrations. Summer marks peak season for outdoor movie nights, bounce houses, and concession equipment at festivals and community events. Fall brings requests for tent rentals at harvest parties, school events, and Thanksgiving gatherings as weather becomes less predictable. Winter demand focuses on indoor entertainment options, tables and chairs for holiday parties, and equipment for gymnasium and community center events.

Mobile Party EFXs plus provides delivery and setup for all rental equipment. The company's team arrives at scheduled times, handles equipment installation, and explains operational procedures and safety features before leaving the site. For larger or complex setups, staff work with clients to ensure proper positioning and functionality. Rental Process Customers can reserve equipment through the company's website at www.mpe-plus.com or by calling 920-393-8076. The reservation process includes discussing event details, expected attendance, venue characteristics, and equipment needs. The company stores all equipment in climate-controlled facilities to maintain condition during Wisconsin's seasonal temperature variations. Mobile Party EFXs plus is located at W 189 Rueden Rd., De Pere, WI 54115. Additional information is available on Mobile Party EFXs Facebook page.
