

Benjamin Franklin Plumbing Expands Drain Cleaning Services in Holly Springs to Meet Growing Community Demand

November 05, 2025

November 05, 2025 -
Benjamin Franklin Plumbing, recently recognized by Forbes as one of the Best Plumbing Companies of 2024, announced today the expansion of its comprehensive drain cleaning services in Holly Springs, addressing the growing need for reliable plumbing solutions in the rapidly developing North Carolina community.

The locally owned, full-service plumbing company has enhanced its drain cleaning capabilities to serve both residential and commercial customers throughout Holly Springs and surrounding areas. The expansion comes in response to increased demand from homeowners and businesses seeking professional solutions for clogged drains, slow-flowing sinks, and backed-up sewer lines.

"As Holly Springs continues to grow, we're seeing more families and businesses who need dependable drain cleaning services they can trust," said a spokesperson for Benjamin Franklin Plumbing. "Our team is committed to providing fast, effective solutions with the transparent pricing and quality service that earned us

recognition from Forbes. Whether it's a simple kitchen sink clog or a complex sewer line blockage, we're equipped to handle it."

The enhanced drain cleaning services complement Benjamin Franklin Plumbing's existing offerings, which include water heater installation, leak detection, sewer repairs, water filtration, and whole home repiping. The company's licensed plumbers undergo rigorous background and substance testing, ensuring customers receive service from qualified professionals they can trust in their homes and businesses.

Benjamin Franklin Plumbing's drain cleaning services utilize advanced equipment and techniques to diagnose and resolve drainage issues efficiently. The company's approach combines modern technology with experienced craftsmanship to address everything from routine maintenance to emergency situations. All services are backed by upfront pricing, eliminating surprise costs for customers.

"We understand that drain problems don't wait for convenient times," the spokesperson added. "That's why we offer 24/7 emergency service throughout Holly Springs. When a customer calls with a drainage emergency, they can count on our rapid response and same-day or next-day service availability."

The company's commitment to customer satisfaction extends beyond drain cleaning. Benjamin Franklin Plumbing also specializes in Tankless Water Heater Services in Holly Springs, offering installation, maintenance, and repair of energy-efficient water heating systems. This comprehensive approach to plumbing services allows customers to address multiple needs with a single trusted provider.

Located at 115 Thomas Mill Rd in Holly Springs, Benjamin Franklin Plumbing has built a reputation on personalized service and reliability. The company offers flexible financing options, making essential plumbing services accessible to more homeowners and businesses. With hundreds of satisfied customers throughout the area, the company has established itself as a cornerstone of the local community.

The expansion of drain cleaning services represents Benjamin Franklin Plumbing's ongoing investment in meeting the evolving needs of Holly Springs residents and businesses. As the community continues to grow, the company remains dedicated to providing expert plumbing services with the professionalism and quality that distinguish locally owned businesses.
