NextDAY Cabinets Richmond Showroom has expanded its wholesale distribution services to better serve professional contractors, builders, and dealers throughout the Richmond metropolitan area. The facility, located on Deep Rock Road, provides comprehensive access to all-wood kitchen cabinets and bathroom vanities with industry-leading three to five-day lead times.

"The Richmond showroom allows us to provide contractors and builders with immediate access to quality cabinet solutions while maintaining the fast turnaround times that set us apart in the industry," said a spokesperson for NextDAY Cabinets Richmond. "Our focus remains on supporting the professional trade community with the products and services they need to complete projects efficiently."

The Richmond location represents a strategic expansion of NextDAY Cabinets' regional presence, joining five other showroom locations to create a comprehensive network for professional contractors and builders. The

facility specializes in Cabinet Manufacturing Richmond services, offering factory-direct pricing exclusively to trade professionals while maintaining a diverse inventory from nine premium cabinet brands.

The showroom features products from established manufacturers, including Crestwood Cabinets, Decora Cabinets, Forevermark Cabinets, Mantra Cabinets, Marsh Furniture, Nations Cabinets, Waypoint Cabinets, and Wolf Home Products. All Kitchen Cabinets offered through the facility are KCMA-certified and American-made, ensuring compliance with industry standards for quality and durability.

Professional contractors visiting the Richmond showroom can take advantage of complimentary 3D kitchen design services, allowing them to visualize projects and present detailed plans to their clients. The facility maintains regular weekday hours from 8:00 am to 5:00 pm, with Saturday availability from 10:00 am to 2:00 pm to accommodate contractor schedules.

The expansion of services includes enhanced Cabinets Wholesale Distribution capabilities, with options for both showroom pickup and job site delivery. This flexibility allows contractors to manage their inventory needs according to project timelines while minimizing storage requirements at construction sites.

Beyond kitchen solutions, the Richmond showroom provides access to bathroom vanities, closet systems, flooring options from MSI and Shaw Flooring, and a comprehensive selection of accessories including sinks, hardware, and fixtures. The facility serves as a single source for contractors managing complete renovation and new construction projects.

The Richmond location has established itself as a resource for multi-family project developers and general contractors managing large-scale developments. The showroom's dealer program provides additional benefits for qualified professionals, including volume pricing and dedicated project support.

NextDAY Cabinets maintains its commitment to serving trade professionals exclusively, with no retail sales offered at any location. This wholesale-only approach ensures that contractors and builders receive focused support and competitive pricing structures designed specifically for their business needs.

The company operates additional showroom locations in Chantilly, Alexandria, Beltsville, and Chicago, creating a regional network that supports contractors across multiple markets. Each location maintains consistent inventory standards and service levels, allowing contractors to access products and support regardless of project location.
