

Windows of Wisconsin Marks 30 Year Celebration of Serving Wisconsin Homeowners

November 19, 2025

KAUKAUNA, WI - November 19, 2025 -
Windows of Wisconsin, a family-owned window and door replacement company, is highlighting its continued investment in product innovation and homeowner-focused services as it enters another year of growth in the Wisconsin home improvement market. Building on decades of experience, the company remains committed to delivering high-quality, energy-efficient window and door solutions tailored to the needs of today?s homeowners.

Windows of Wisconsin has installed thousands of replacement windows and patio doors across the state, offering a comprehensive selection of styles such as awning, bay, bow, casement, double hung, round top, slider, and special shape windows. The company also provides a wide range of patio door options, including bi-fold, sliding patio, sliding French, and inswing French doors?ensuring homeowners have solutions that meet both functional and aesthetic goals.

?Our focus has always been on bringing homeowners products that elevate comfort, efficiency, and design,?

said Tyler, the sales manager for Windows of Wisconsin. ?We continue to refine our offerings, installation practices, and educational resources so customers feel confident and supported throughout every step of their project.?

A key part of the company?s approach is its exclusive use of Infinity from Marvin replacement products, constructed with Ultrex fiberglass?a material known for its strength, long-term durability, and low-maintenance performance. This allows Windows of Wisconsin to provide installations that combine the timeless look of wood with modern engineering and energy efficiency.

Windows of Wisconsin also emphasizes homeowner education, offering guidance on warranty options, maintenance recommendations, and style selection. Customers can explore window types and configurations at https://windowsofwisconsin.com/windows/ to better understand available choices before scheduling a consultation.

With energy efficiency continuing to be a priority for many homeowners, the company?s showroom and headquarters in Kaukauna, Wisconsin, offer a hands-on experience where customers can compare products, ask questions, and receive personalized recommendations from window replacement specialists.

To support accessibility, Windows of Wisconsin provides financing options for qualifying projects and offers a customer referral program to reward loyal clients who recommend the company to friends and neighbors. Additional information about services, products, and appointment scheduling can be found at https://windowsofwisconsin.com/.

Windows of Wisconsin remains a full-service provider of replacement windows and patio doors for residential customers throughout Wisconsin. As a family-owned business, it continues to prioritize quality installation, reliable service, and customer satisfaction.
