March 08, 2016 - PRESSADVANTAGE -

Savvy Pet Products, makers of Simba's Choice USA made and sourced grain free, gluten free, no corn, wheat or soy, beef and chicken dog jerky treats were created for concerned pet owners who want to serve their dogs the very best treats, and don't have the time for homemade dog jerky recipes.

Simba's Choice beef and chicken dog jerky treats are 100% sourced and made in the USA in an FDA approved facility in small batches to guarantee goodness. Simba's Choice is grain free, gluten free and contains no corn, wheat or soy, which may be harmful to your dog. Each 7 inch rolled stick is soft, tender and savory, packed with nutritious beef or chicken protein with natural sweet potatoes and never any filler or artificial preservatives of any kind. Simba's choice all natural dog jerky treats are available for short time on a buy one, get one free offer.

"We spent hundreds of hours of research finding the best USA sourced ingredients and recipes so you don't have to," says Aisulu Gates, Savvy Pet Products Co-Founder. "Our dogs love them, and they are picky eaters. Each stick is soft and chewy and can be broken into smaller bites for training and travel," says Gates.
