

Mallard Air Heating & Cooling Receives Best of Alabama 2025 Award for HVAC Excellence

November 21, 2025

SPANISH FORT, AL - November 21, 2025 -
Mallard Air Heating & Cooling has been recognized as one of the Best HVAC Sales & Service Companies in Alabama for 2025 by Guide to Alabama, marking a significant achievement for the Spanish Fort-based company. The award acknowledges the company's commitment to delivering exceptional heating and cooling services throughout Baldwin County and Mobile County.

The recognition comes as the company continues to expand its comprehensive service offerings across the Gulf Coast region. Mallard Air specializes in air conditioning installation, repair, and maintenance, along with heating system services, indoor air quality solutions, and commercial HVAC services. The company serves residential and commercial customers with 24/7 emergency response capabilities and advanced diagnostic technology.

"This award reflects the dedication of our entire team to providing superior HVAC services to our community," said Dustin Roberts, a representative from Mallard Air Heating & Cooling. "We understand the unique

challenges that Alabama's climate presents, from high humidity levels to extreme summer temperatures, and we've built our expertise around addressing these specific needs for our customers."

The Best of Alabama recognition evaluates companies based on technical excellence, customer service, and community trust. Mallard Air distinguished itself through its comprehensive approach to HVAC services, including preventive maintenance programs, energy efficiency expertise, and transparent pricing practices. The company's technicians undergo continuous training in the latest HVAC technologies and energy-efficient solutions.

Mallard Air's service portfolio encompasses air conditioning repair and installation, heating system maintenance, ductwork design and repair, and indoor air quality improvements. The company offers specialized solutions, including dehumidifier installation, whole-house humidifiers, UV light cleaners, air scrubbers, and smart thermostat installation. These services address the specific environmental challenges faced by coastal Alabama residents and businesses.

The company has established itself as a trusted provider of HVAC Services in Spanish Fort, AL, and surrounding communities, including Mobile, Daphne, Fairhope, Foley, Orange Beach, and Gulf Shores. With a focus on energy efficiency, the company helps customers reduce monthly utility costs while maintaining optimal comfort levels throughout the year.

"We view this award not just as recognition of past achievements, but as motivation to continue raising the bar for HVAC service excellence," added Roberts. "Our customers voted us into this position, and we're committed to proving every day why they made the right choice."

Looking ahead, Mallard Air plans to invest in advanced technician training programs, new service technologies, and enhanced customer communication systems. The company also intends to expand its service areas while maintaining the personalized attention that has become its hallmark.

Mallard Air Heating & Cooling operates as a fully insured and bonded HVAC contractor serving both Baldwin County and Mobile County. The company offers flexible financing options and uses cutting-edge diagnostic technology to ensure accurate problem identification and efficient repairs. With its combination of technical expertise, customer-focused service, and deep community roots, the company continues to set standards for HVAC excellence in coastal Alabama.
