

NextDAY Cabinets Chantilly Showroom Announces Premium Cabinetry Partnership with Kith Kitchens

November 20, 2025

Chantilly, VA - November 20, 2025 -
NextDAY Cabinets Chantilly Showroom announces an official partnership with Kith Kitchens, bringing premium American-made custom cabinetry to contractors and builders throughout the Mid-Atlantic region. The collaboration combines NextDAY's established distribution network and fast lead times with Kith Kitchens' 25 years of custom cabinetry expertise.

The partnership expands available product offerings for professional contractors, dealers, and builders who rely on NextDAY Cabinets as their Cabinet Supplier Chantilly. The agreement brings Kith Kitchens' full line of KCMA-certified cabinetry, including over 60 door styles and hundreds of paint and stain options, to NextDAY's six showroom locations across Virginia and Maryland.

"This partnership represents a significant advancement in our commitment to providing contractors with both speed and quality," said a NextDAY Cabinets Chantilly Showroom representative. "By adding Kith Kitchens' premium custom cabinetry to our portfolio, we can now offer built-to-order solutions with the same fast

turnaround times our customers have come to expect. The combination of American craftsmanship, lifetime warranties, and our guaranteed lowest prices creates exceptional value for professional builders and remodelers."

Kith Kitchens, a family-owned business operating since 1998, manufactures all cabinetry in Kentucky using American materials. Their products feature low-VOC topcoats with approximately 400 percent less volatile organic compounds than typical conversion varnish, addressing growing demand for environmentally responsible building materials. The company's lifetime warranty on core cabinet lines provides additional assurance for contractors managing multi-family projects and high-end residential developments.

The expanded product line includes Kith's premium custom cabinetry, Eudora frameless European platform, KithOne value program, and Mouser Cabinetry. Professional contractors can choose from maple, oak, cherry, and MDF door species, with options for framed traditional or full access frameless European construction. All cabinets feature Blum brand full extension soft-close glides and hinges, with factory-installed organizers and storage solutions available.

NextDAY Cabinets operates as a leading wholesale distributor of all-wood kitchen cabinets and Bathroom Vanities Chantilly, maintaining showrooms in Richmond, Chantilly, Alexandria, and Beltsville. The company specializes in serving contractors, dealers, and builders exclusively, offering professional design services, volume discount programs, and flexible delivery options.

The partnership addresses increasing demand for custom-look cabinetry without extended lead times or premium pricing typically associated with built-to-order products. Contractors can access the expanded product lines at all NextDAY showroom locations, with warehouse pickup and job site delivery options available. Professional design consultation services remain available to assist with project planning and specifications. Their established reputation for three to five day lead times on Wholesale Cabinets positions them as a trusted resource for time-sensitive projects.

NextDAY Cabinets continues to operate Monday through Friday from 8:00am to 5:00pm, with Saturday hours from 10:00am to 2:00pm at the Chantilly location. The showroom serves contractors throughout Northern Virginia and surrounding areas, providing access to multiple cabinet brands and comprehensive project support services.
