

The UniqHouse Norcross Expands Kitchen Cabinet Showroom to Showcase Design Solutions

November 24, 2025

Norcross, Georgia - November 24, 2025 -
The UniqHouse Norcross, a remodeling company serving the greater Atlanta metro area, has expanded its showroom capabilities to better serve homeowners seeking comprehensive kitchen and bathroom renovation solutions. The enhanced showroom space at 6695 A Jimmy Carter Boulevard features an extensive collection of cabinet displays and design options for clients throughout Gwinnett County and surrounding communities.

"Our expanded showroom allows clients to experience firsthand the quality and craftsmanship that goes into every Kitchen Cabinet we install," said a spokesperson for The UniqHouse Norcross. "We understand that selecting the right cabinetry is a crucial decision in any remodeling project, and our enhanced display area provides homeowners with the opportunity to explore various styles, finishes, and configurations that best suit their needs and aesthetic preferences."

The expansion comes as the company continues to experience increased demand for its remodeling services

across North Atlanta. With over 15 years of experience in the industry, The UniqHouse Norcross has established itself as a partner for homeowners seeking kitchen remodeling, bathroom remodeling, and basement finishing services.

The company specializes in luxury remodeling services and has received multiple Best of Houzz awards, including recognition in 2018, 2019, 2020, 2022, and 2023. The showroom features premium cabinet lines, including Showplace Cabinetry, Kemper Cabinetry, and Fabuwood Cabinetry, offering both custom and semi-custom options for every budget and design preference.

Kitchen cabinets Norcross residents can explore at the showroom include innovative storage solutions and contemporary designs that maximize both functionality and visual appeal. The company's design team works closely with each client to create tailored solutions that reflect individual style preferences while ensuring optimal use of available space.

The expanded showroom serves homeowners throughout an extensive service area, including Alpharetta, Johns Creek, Milton, Sandy Springs, Dunwoody, Woodstock, Marietta, Cumming, Mountain Park, and Roswell. Each project is backed by a 12-month warranty from the original date of purchase, demonstrating the company's commitment to quality and customer satisfaction.

The UniqHouse Norcross operates as a full-service design-build general contractor, offering free professional design consultations and 3D visualization services to help clients envision their completed projects before construction begins. The company's team of experienced designers and craftsmen focuses on creating spaces that combine aesthetic appeal with practical functionality.

Beyond kitchen renovations, The UniqHouse Norcross offers comprehensive Bathroom Cabinet solutions and complete home makeover services. The company's all-inclusive approach encompasses everything from initial design consultation through project completion, including coordination of painting, tiling, flooring, plumbing, electrical, and carpentry work.

The UniqHouse Norcross is a licensed and insured general contractor specializing in kitchen remodeling, bathroom remodeling, and basement finishing services throughout the North Atlanta metro area. With over 15 years of industry experience and multiple design awards, the company has built a reputation for delivering high-quality renovations that transform homes into functional masterpieces. The company maintains showrooms in both Norcross and Roswell, offering homeowners convenient access to expert design services and premium cabinet collections.
