Access Interiors Expands Office Refurbishment Services Across Bedfordshire

November 19, 2025

Cambridge, CB - November 19, 2025 -
Access Interiors Ltd, a Cambridge-based commercial project management company, has announced the expansion of its comprehensive office refurbishment services throughout Bedfordshire, addressing growing demand for modern workplace transformations in the region.

The company, which has been providing commercial interior solutions since 1994, now offers its full range of office design and fit-out services to businesses across all major Bedfordshire locations, including Bedford, Luton, Dunstable, Leighton Buzzard, and Biggleswade. The expansion comes as businesses throughout the county seek to modernize their workspaces to meet evolving workplace requirements and employee expectations.

Access Interiors - Office Refurbishment Bedfordshire services encompass complete workplace transformations, from initial space planning and design through to project completion. The company's offerings include office relocations, dilapidations management, suspended ceiling installation, partition systems, commercial flooring, and electrical and air conditioning installations.

"Bedfordshire businesses are recognizing the critical role that well-designed office spaces play in productivity and employee satisfaction," said Martin Dawson, Director at Access Interiors. "Our expansion throughout the county allows us to bring nearly three decades of commercial interior expertise directly to local businesses, providing them with tailored solutions that meet their specific operational needs and budgets."

The company's approach to office refurbishment follows a structured process that begins with a comprehensive needs assessment and space evaluation. This methodology ensures that each project delivers optimal results while minimizing disruption to daily business operations. Access Interiors works closely with clients to develop customized plans that align with both immediate requirements and long-term growth strategies.

A key differentiator in the company's service delivery is its ability to manage projects while businesses continue their normal operations. Through careful logistics management and phased execution strategies, Access Interiors enables companies to maintain productivity throughout the refurbishment process.

"We understand that business continuity is paramount for our clients," added Dawson. "Our project management expertise allows us to coordinate complex refurbishments while ensuring minimal impact on day-to-day activities. This approach has been particularly valuable for businesses that cannot afford operational downtime."

The expansion covers more than thirty locations across Bedfordshire, including smaller business communities such as Ampthill, Flitwick, Sandy, Shefford, and Stotfold. This comprehensive coverage ensures that businesses of all sizes throughout the county have access to professional office refurbishment services.

Access Interiors maintains offices in both Cambridge and Ely, positioning the company to efficiently serve the broader East of England region. The company's portfolio includes projects ranging from minor interior updates to extensive commercial transformations, with services extending to specialized installations such as mezzanine floors for warehouses and industrial facilities.

Established in 1994, Access Interiors Ltd specializes in commercial project management and office design services. The company provides comprehensive solutions including office refurbishments, space planning, dilapidations, relocations, and various interior installations. With a focus on delivering projects that meet performance specifications and budget requirements, Access Interiors has built a reputation for quality service, evidenced by a high percentage of repeat business from satisfied clients.
