Siam Legal International Expands Thailand Elite Visa Advisory Services to Meet Rising Global Demand

November 25, 2025

Bangkok, Thailand - November 25, 2025 -
Siam Legal International, a multi-award-winning General Sales and Services Agent for Thailand Privilege, has announced the expansion of its Thailand Elite Visa Advisory Desk to accommodate growing international interest in Thailand's long-term residency program. The expansion comes as the firm reports increased inquiries throughout the fourth quarter of 2025, with heightened interest from European, Middle Eastern, and East Asian markets.

The Thailand Elite Visa, issued under the Thailand Privilege Program, offers premium long-term visa Thailand options ranging from 5 to 20 years through tiered memberships, including Bronze, Gold, Platinum, Diamond, and Reserve. Membership fees start at 650,000 THB and extend up to 5,000,000 THB, depending on the tier and validity period. The program provides long-term stay permission, VIP immigration lanes, concierge support, and lifestyle privileges to retirees, remote professionals, investors, and long-term lifestyle movers seeking structured residency in Thailand.

Siam Legal International, a multi-award-winning GSSA that has received Best Sales honors from Thailand Privilege Card Co. for 2 consecutive years, has expanded its Elite Visa Advisory Desk with increased staffing, improved consultation procedures, enhanced document checks, and multilingual support across all membership tiers. In addition to standard advisory services, Siam Legal also provides Thai bank account opening assistance, Tax ID acquisition, and complementary legal consultations to support to ensure a smooth and compliant long-term residency process for clients.

"Thai Elite Visa applicants today have more nuanced needs and increasingly view the program as part of their long-term planning for living or investing in Thailand," said Rex Baay, Managing Partner at Siam Legal International. "Our consecutive Best Sales awards reflect our commitment to transparent and compliant advisory work. The strategic decision to strengthen our operations ahead of 2026 positions us to better serve the evolving needs of international clients seeking structured residency pathways."

The expansion extends across Siam Legal's major offices, with advisory teams in Bangkok, Chiang Mai, Pattaya, and Phuket now collaborating on Elite Visa case handling. This national coverage leverages the firm's 22 years of experience in legal and immigration advisory services.

The rising demand for Thailand's Elite Visa program aligns with broader global trends in lifestyle residency programs, driven by increased mobility, remote work opportunities, and growing interest among retirees and investors. Thailand's program has gained particular attention when compared to regional alternatives such as Malaysia's MM2H and Indonesia's Second Home programs.

Siam Legal reports year-over-year growth in Elite Visa applications from retirees, remote workers, and new nationalities exploring structured residency pathways. The firm's data indicates that demand for organized, compliant support continues to strengthen as international clients seek reliable guidance through the application process.

With international demand projected to increase further in 2026, early planning has become increasingly important for prospective applicants. The expanded advisory desk enhances Siam Legal International's capacity to support long-term residency planning in Thailand, reinforcing its position as a leading agent for the Thailand Privilege Card program.

Siam Legal International provides comprehensive legal and visa services throughout Thailand, including immigration support, business law, family law, litigation, and property services. The firm maintains offices in Bangkok, Chiang Mai, Pattaya, and Phuket, offering multilingual support for international clients.
