2026 Masters VIP Services, Parking, and Transportation Available From Azalea Hospitality

November 25, 2025

AUGUSTA, GA - November 25, 2025 -
Azalea Hospitality announces services including VIP packages, Masters valet parking, and transportation, as well as other services, are currently available for the 2026 Masters. Golf enthusiasts can take transportation to and from their lodging locations in addition to other options.

From April 9th through the 12th, the tournament rounds of the 2026 Masters will be played. They will be played at Augusta National Golf Club in Augusta, Georgia. Practice rounds will be held on Monday, April 6th and Tuesday, April 7th. A par 3 tournament will be held on Wednesday, April 8th. Parking and transportation are available for each of these.

The lottery for 2026 Masters tickets was held from June 1st through June 20th. The application period has ended. Winners were notified by email late in July 2025. Those who wish to attend the tournament can purchase tickets from accredited secondary market providers. Masters tickets admit golf enthusiasts to one round per ticket.

VIP packages may include tickets, hotel stays, private housing, and additional amenities.

Admittance to The Enterprise Mill can be included with tickets, as part of a package. Formerly a cotton mill and located in downtown Augusta?s historic district, the Enterprise Mill is known for buffets, cigars, a masseuse, and more.

Valet parking is available for every day of the tournament. Riders can take a shuttle to and from the course.

Attendees do not need to have a ticket to the tournament to use valet parking. However, valet parking services do not come with the purchase of a ticket and must be purchased separately.

Masters attendees can be dropped off near the main public entrance for the Masters. That entrance is the North Gate off of Washington Road. Alternatively, attendees could be dropped off at the other entrance, at the South Gate on Berckmans Road. Following that day of golf, attendees can be picked up near those entrances as well.

Phones are not permitted at any time on Augusta National Golf Course. During practice rounds, cameras are permitted.

?With the massive crowds descending upon Augusta, getting into and out of Augusta National can be a challenge. With valet parking, attendees do not need to drive. The Masters can be better enjoyed with fewer worries,? said a spokesperson from Azalea House.

About Azalea House

A place for tickets, hospitality packages, and VIP services, Azalea House aims to bring southern hospitality to the Masters. Serving as an unofficial Masters museum, Azalea House has a tournament badge from the very first Masters in 1934. The museum also has badges from the Masters

tournaments held in 1935, 1937, 1941, 1946, 1947, 1948, 1949, 1951, 1952, 1953, and many other years.
