Manufacturers Floor Covering Outlet Expands Flooring Outlet to Meet Demand for Home Renovations

December 12, 2025

TEMPE, AZ - December 12, 2025 -
Manufacturers Floor Covering Outlet, a Phoenix-area flooring supplier and installation company, has expanded its product offerings and installation services to address increased demand for home renovation projects across the metropolitan area. The expansion includes enhanced waterproof flooring options, luxury vinyl selections, and comprehensive kitchen and bathroom remodeling services.

The company, which serves as a flooring outlet in Phoenix, has observed a significant uptick in requests for moisture-resistant materials and durable flooring solutions as homeowners invest in long-term property improvements. The expanded inventory now encompasses solid and engineered hardwood, luxury vinyl planks, natural stone, glass tile, and waterproof laminate options designed to withstand Arizona's unique climate conditions.

"The Phoenix market has experienced remarkable growth in home improvement projects, particularly in flooring upgrades and complete room renovations," said Brandon Wendelschafer, owner of Manufacturers Floor Covering Outlet. "Homeowners are seeking durable, aesthetically pleasing solutions that can withstand daily wear while maintaining their appearance for years to come. Our expanded product line and installation

services directly address these evolving needs."

Beyond traditional flooring services, Manufacturers Floor Covering Outlet has enhanced its remodeling capabilities to include full-service kitchen and bathroom renovations. These services encompass countertop installation, shower redesigns, and complete layout reconfigurations. The company works closely with clients to select materials that balance durability, functionality, and design preferences while adhering to project budgets.

The company's team of residential flooring installers provides comprehensive services ranging from single-room updates to whole-home transformations. Installation services cover carpet, hardwood, laminate, tile, luxury vinyl, sheet vinyl, and natural stone applications. Additionally, the company offers specialized installation for kitchens and bathrooms, including custom shower tile work, backsplashes, and moisture-resistant flooring solutions.

The expansion also introduces flexible shopping options to accommodate varying customer preferences. Clients can visit the showroom in Tempe, schedule free in-home consultations, or browse the extensive online catalog. The company's shop-at-home service brings product samples directly to customers, allowing them to evaluate flooring options in their actual living spaces.

"We recognize that selecting flooring represents a significant investment in a home's value and comfort," added Wendelschafer. "Our approach combines professional expertise with personalized service to ensure each project meets the specific requirements of the space and the homeowner's vision."

To support accessibility for home improvement projects, the company offers financing options that allow customers to proceed with renovations while managing payment schedules. The company also collaborates with real estate professionals, builders, and property investors to maintain project timelines and budgets.

Manufacturers Floor Covering Outlet specializes in both residential and commercial flooring solutions throughout the Phoenix metropolitan area. The company maintains an extensive inventory of flooring products, including carpet, hardwood, laminate, tile, luxury vinyl, waterproof options, and natural stone. With a focus on quality installation and customer service, the company provides comprehensive flooring solutions from initial consultation through project completion.
