

Amana Care Clinic - Davenport Expands Urgent Care Services to Meet Growing Regional Demand in Davenport

December 16, 2025

DAVENPORT, Iowa - December 16, 2025 -

Amana Care Clinic - Davenport, a primary walk-in urgent care provider serving Davenport and the broader Quad Cities area, is expanding its services and reinforcing its commitment to accessible medical care for residents facing non-emergency health needs. Founded to deliver high-quality treatment without requiring patients to schedule appointments, the clinic has seen sustained community demand for its comprehensive approach to immediate care, prompting enhancements in service availability and operational hours.

Located at 2162 West Kimberly Road in Davenport, Amana Care Clinic welcomes patients throughout the Quad Cities, including Bettendorf and Rock Island, with extended weekday and weekend hours. The clinic?s certified providers diagnose and treat a wide range of conditions, from seasonal illnesses to minor injuries, with an emphasis on timely, compassionate care that bridges the gap between primary care and emergency services. The Davenport location remains open Monday through Friday from 7 a.m. to 6:30 p.m. and on weekends from 9 a.m. to 3:30 p.m., offering flexibility for families and individuals seeking same-day medical attention.

Amana Care Clinic officials say the expansion reflects both patient need and evolving expectations for convenient healthcare delivery in the region. ?Our focus is on providing care that?s both accessible and thorough,? said a clinic representative. ?Whether it?s a sudden illness, routine physical, or preventive screening, our team is here to help Quad Cities residents without the barriers of long waits or rigid appointment schedules.? The clinic treats non-life-threatening conditions such as respiratory infections, minor fractures, lacerations, flu symptoms and offers diagnostic services including lab tests and imaging.

To better serve its service area, Amana Care Clinic also accepts most major insurance plans and self-pay options, enabling broader access for patients across diverse circumstances. Its location in Davenport places it within easy reach of surrounding communities in eastern Iowa and western Illinois, reinforcing the clinic?s regional role in urgent medical care. Patient feedback underscores the clinic?s role as a community health resource, with many praising its friendly staff and efficient service.

The clinic?s approach aligns with wider trends in urgent care utilization, as healthcare consumers increasingly seek providers that combine professional clinical capability with prompt access. Local health analysts note that walk-in urgent care centers play a growing part in alleviating pressure on traditional emergency departments by offering effective treatment for non-emergency conditions. As part of this evolving healthcare landscape, Amana Care Clinic?s expanded operational hours and comprehensive service offerings position it as a dependable option for Quad Cities residents seeking immediate and reliable medical attention.

Looking ahead, Amana Care Clinic officials have signaled ongoing efforts to refine patient experience and expand preventive care options in response to community health needs. By maintaining extended hours and a broad suite of services, the Davenport clinic aims to meet patient expectations for medical support that is both high quality and conveniently accessible to families and individuals throughout the Quad Cities region.
