

Presenting NEW Live Event for Conscious Entrepreneurs

March 11, 2016

March 11, 2016 -
Irina Baker, M.A., Spiritual Awareness Mentor, speaker and author, is interviewed about her new coming live event by Maria Serbina, MBA, host of Business Celebrity Acceleration TV, on Google Hangout on Air. Phoenix, AZ.

Irina Baker, M.A. is holding a live training event on April 1, 2016, in Noah?s Event Venue 2100 E Yeager Dr. in Chandler, Arizona, entitled The Ultimate Wealth?: Bridging Your Soul and Your Bank Account so You Can Have Both Spiritual Satisfaction and Money.

According to Irina, The Ultimate Wealth? means that a person has created plenty of money, harmonious relationships, radiant health and a vibrant business or career. The Ultimate Wealth? cannot be achieved without closing the huge existing gap between the spiritual and physical realms.

This event is for entrepreneurs and experts who understand that without the practical spiritual approach to

business truly satisfying success cannot be reached. These new generation entrepreneurs know of their big mission and want to go after their greatest potential, but they cannot do it alone. They need the Divine on their side.

At The Ultimate Wealth? event, Irina will teach how to find a relief from fear, worry and the feeling of ?never enough.? Baker will also teach how to create a direct channel to the Divine. It?s high time to make your spirituality practical and apply it to everything you do. Irina will teach The Creation Formula? so entrepreneurs could learn the steps, apply them in real life and make things happen.

Napoleon Hill in his business ?bible? Think and Grow Rich wrote that all the greatest achievers in business relied on the Infinite Intelligence in business. Yet, it has been a taboo to discuss or even to mention the topic of spirituality in a corporate boardroom in the past.

In addition to learning and acquiring new skills, The Ultimate Wealth? live event is a place where entrepreneurs could find new friends who speak ?their language? and support each other.
