December 06, 2025

TAMPA, FL - December 06, 2025 - PRESSADVANTAGE -

Digital Neighbor, a leading digital marketing agency based in Tampa, is proud to announce its recognition as the 2025 Best Entrepreneur of the Year winner in the Best of America Small Business Awards® (BASA). The award celebrates Digital Neighbor's visionary leadership and growing impact in the digital marketing industry.

The BASA Awards® spotlight outstanding small businesses across the United States. This year's competition drew entries from hundreds of innovative and high-performing organizations across six major categories: Best Small Business, Best Startup, Best Entrepreneur, Best in Class, Best in Tech, and Best Campaign.

Digital Neighbor earned top honors in the Best Entrepreneur category, reflecting not only the leadership of CEO Eric Ritter but also the collaborative spirit and success of the entire team.

This award is a testament to the incredible talent, dedication, and innovation of our team at Digital

Neighbor," said Eric Ritter, CEO. "While the recognition is titled "Best Entrepreneur," it's really about the company we've built together. Every member of our team contributes to our vision of helping businesses grow smarter, connect deeper, and market better online."

From its roots in Tampa to serving clients nationwide, Digital Neighbor has helped hundreds of businesses amplify their digital presence through data-driven SEO, creative content strategy, paid media, and web development. Under Ritter's leadership, the company has maintained a strong commitment to transparency, education, and performance.

The BASA Award selection process involved two rounds of rigorous judging by a panel of industry experts and successful small business leaders, followed by a public voting round. The result: a curated list of trailblazing companies and individuals helping shape the future of small business in America.

"The 2025 Best of America Small Business Awards attracted an exceptional range of nominees, each exemplifying the innovation and dedication that fuel small businesses across the country," said Anna Stella, President of BASA Awards®. "Congratulations to all the winners who continue to raise the bar across their industries."
