LUVA Vacation Rentals, a company in Kailua Kona, HI, is proud to present their most exclusive property in Hawaii. The villa, Kauhale Piliialoha, has been designed to enable people to truly indulge themselves in the ultimate in island style luxury. The exclusive retreat is proving to be incredibly popular.

John Laliberte from LUVA Vacation Rentals says: "This property really is the cream of the crop. It features 10 bedrooms and 14 bathrooms and can sleep a party of up to 30 people. We are so proud to have been able to add this to our offerings."

The property enjoys some of the island's most breathtaking sunsets and views across the natural beauty of Hawaii. The poolside lanai, perched on the cliffs above the blue expanse of the Pacific Ocean, is the perfect place to relax and unwind. The property is located on two lots in the private, double gated community of the Low Bluffs on Hapuna Beach and it is adjacent to two of the world's best resorts and beaches, which are the Hapuna Beach and Mauna Kea Beach.

The property offers nearly 16,000 square feet of amazing architecture that blends in flawlessly with the beautiful local environment. Throughout the 2.5 acre grounds, visitors can find three ponds filled with rare breeds of lively colored koi fish, remarkable sculptures for visual delights, four exceptionally appointed guest pod style villas, a fully equipped gym with steam room and massage room, large custom theater, game room complete with pool table and game theater, chef appointed commercial kitchen, comfortable residents kitchen with outdoor dining for up to 30 guests, as well as the most astounding spot to start and end the day - the expansive infinity edged pool with adjoining hot tub overlooking the beauty that is Hawaii.

Those who rent a property there will also be able to enjoy the Hawaiian concierge service. The concierge is there to assist with any need guests may have. Additionally, they are well-versed on the various activities that people can engage in during their time on the island, should there be a moment when they want to leave the grounds of the villa.

For people who get the island bug and want to remain on Hawaii, the company also offers Big Island real estate services.
