Rivera Tennis Academy Announces Winter Adult Tennis Training Sessions for Holiday Season

December 19, 2025

Spring, Texas - December 19, 2025 -
Rivera Tennis Academy has announced special winter training sessions designed to help adult tennis players maintain their skills during the holiday season. The academy, led by former ATP and Davis Cup player Alfredo Rivera, will offer structured morning sessions throughout late December and early January to accommodate players seeking consistent practice during the traditionally slower winter months.

The Winter Adult Tennis Training in Spring, TX program runs from 9:00 AM to 11:00 AM on selected dates spanning two weeks. The first week includes December 22nd, 23rd, and 26th, while the second week covers December 29th, 31st, and January 2nd. The academy has structured the sessions to work around major holidays while providing regular training opportunities for committed players.

"Winter presents unique challenges for tennis players who want to maintain their competitive edge," said Alfredo Rivera, Director of Rivera Tennis Academy. "These morning sessions provide the perfect solution for adults who refuse to let the colder weather or holiday schedules interrupt their training routine. The two-hour format allows for comprehensive skill work, match play, and conditioning that keeps players sharp throughout the season."

The Adult Tennis Training in Spring, TX sessions welcome players of all skill levels, from recreational enthusiasts to competitive tournament participants. The academy's location at Forest Oaks Swim & Racquet Club provides indoor and outdoor court options, ensuring consistent training regardless of weather conditions. Participants can choose between a three-day package priced at $120 or drop-in sessions at $35 per day, offering flexibility for varying schedules and commitment levels.

Rivera Tennis Academy has built its reputation on comprehensive tennis instruction that serves the entire community. Beyond the winter adult program, the academy offers junior tennis lessons, kids tennis lessons, private coaching, elite training programs, and specialized homeschool tennis instruction. This diverse

programming reflects the academy's commitment to making tennis accessible and enjoyable for all ages and abilities in the TX area.

The winter training initiative addresses a common challenge faced by adult tennis players during the holiday season. Many players struggle to maintain consistency when regular leagues pause and court time becomes limited. By offering structured training during this period, the academy helps players avoid the typical January struggle of regaining form after extended breaks.

Participants in the winter sessions will benefit from Rivera's extensive professional experience and proven coaching methodology. His background as a former ATP tour player and Chilean Davis Cup representative brings international-level expertise to local players. The academy's training philosophy emphasizes technical refinement, strategic development, and physical conditioning tailored to each player's goals.

The TX tennis community has consistently praised Rivera Tennis Academy for its professional instruction and supportive environment. The academy also hosts leagues and tournaments throughout the year, maintains a professional stringing service, and carries Babolat equipment for players seeking quality gear. These comprehensive services position the academy as a complete tennis destination for serious players and casual enthusiasts alike.

Rivera Tennis Academy continues to expand its programming to meet community needs while maintaining the high standards of instruction that have defined its success. The winter adult training sessions represent the academy's ongoing commitment to year-round player development and community engagement in tennis education.
