Clever Carpets & Flooring LTD Expands Mobile Showroom Service to Hatfield Area

December 15, 2025

Watford, UK - December 15, 2025 -
Clever Carpets & Flooring LTD has announced the expansion of its mobile showroom service to comprehensively serve the Hatfield area, bringing professional flooring consultations directly to residential and commercial customers throughout Hertfordshire.

The London-based flooring specialist now provides enhanced coverage across all Hatfield neighborhoods, including Old Hatfield, Hatfield Town, The Ryde, Ellenbrook, Birchwood, Salisbury Village, Hatfield Garden Village, West End, and Stanborough. This expansion addresses growing demand for convenient, professional flooring services in the region while maintaining the company's commitment to personalized service.

The mobile showroom service allows customers to view and compare flooring samples in their own properties, ensuring accurate color matching and style coordination with existing décor. This approach eliminates the need for multiple trips to traditional showrooms and enables customers to make informed decisions in the actual lighting conditions where the flooring will be installed.

"Expanding our mobile showroom service to Hatfield represents our commitment to making professional flooring solutions more accessible," said Daniel Romani, Managing Director of Clever Carpets & Flooring LTD. "By bringing our extensive range directly to customers' homes and businesses, we're removing the traditional barriers to selecting the perfect flooring while providing expert guidance throughout the decision-making process."

The company offers a comprehensive range of flooring options, including carpet, luxury vinyl tile (LVT), vinyl flooring, engineered wood, laminate, and commercial safety flooring. All products come from leading UK manufacturers such as Polyflor, Altro, Cormar, Penthouse Carpets, Associated Weavers, Tarkett, and Hugh Mackay, ensuring quality and durability across residential and commercial applications.

Beyond the mobile showroom, the company provides complete supply and fitting services, with all installation work carried out by experienced professionals using manufacturer-recommended tools and techniques. Additional services include next-day delivery for urgent requirements, uplift and disposal of existing flooring, and specialized solutions such as whipping and binding for carpet edges and comprehensive flooring repair services.

Commercial clients benefit from specialized expertise in safety flooring and wet room installations, critical for businesses requiring compliance with health and safety regulations. The company's estimating service provides accurate project costing, whether conducted over the phone or through on-site measurements.

Clever Carpets & Flooring - Flooring Hatfield services demonstrate the company's strategic approach to regional expansion while maintaining the personalized service that has established its reputation in the London market. The combination of mobile convenience, professional expertise, and a comprehensive product range positions the company to meet diverse flooring needs across the Hertfordshire region.

Clever Carpets & Flooring LTD specializes in providing comprehensive carpet and flooring solutions throughout London and the surrounding areas. The company works with leading UK manufacturers to offer thousands of flooring options suitable for various budgets and applications, from residential properties to commercial facilities requiring specialized safety flooring.
