Access Interiors Ltd Expands Office Refurbishment Services Across Lincolnshire

December 16, 2025

Cambridge, CB - December 16, 2025 -
Access Interiors Ltd, a commercial project management company established in 1994, has announced the expansion of its comprehensive office refurbishment services throughout Lincolnshire to meet growing demand for sustainable workplace transformations.

The Cambridge and Ely-based company has seen increased requests for office modernization projects across Lincolnshire as businesses seek to create more efficient, sustainable workspaces that support hybrid working models and environmental goals. The expansion includes enhanced capabilities in sustainable design implementation, energy-efficient upgrades, and green building practices.

"Businesses across Lincolnshire are recognizing that office environments directly impact productivity, employee wellbeing, and operational efficiency," said Martin Dawson, Managing Director at Access Interiors Ltd. "Our expanded services address these needs through comprehensive solutions that range from initial space planning to complete interior transformations, all while maintaining a strong focus on sustainability and minimal business disruption."

Access Interiors - Office Refurbishment Lincolnshire services encompass a complete range of workplace solutions, including office design, space planning, dilapidations, relocations, and commercial interiors project management. The company also provides specialized interior services such as suspended ceilings, partition systems, commercial flooring installation, mezzanine floors, electrical installations, and air conditioning systems.

The expansion comes as workplace design continues to evolve following significant shifts in how businesses utilize office spaces. Companies are increasingly seeking flexible solutions that accommodate both collaborative work and focused individual tasks while incorporating sustainable materials and energy-efficient systems.

Access Interiors Ltd has developed expertise in managing refurbishment projects that allow businesses to continue operations during renovation work. This approach minimizes downtime and helps companies maintain productivity throughout the transformation process. The company's project management team coordinates all aspects of refurbishment, from initial design concepts through to completion, ensuring projects stay within budget and timeline parameters.

The company's approach to office refurbishment emphasizes customization based on each client's specific requirements. Whether businesses need minor interior updates or extensive commercial renovations, Access Interiors Ltd provides tailored solutions that address workflow optimization, communication enhancement, and accommodation for future growth.

Sustainability remains central to the company's refurbishment philosophy. Projects incorporate environmentally responsible materials, energy-efficient lighting and HVAC systems, and design elements that reduce overall environmental impact while creating healthier workplace environments.

Access Interiors Ltd brings nearly three decades of experience in commercial project management and office design. Since its establishment in 1994, the company has built a reputation for delivering high-quality office transformations that meet performance specifications and budget requirements. The company maintains offices in Cambridge and Ely, serving businesses throughout Lincolnshire and the surrounding regions. Their portfolio includes office fit-outs, workspace planning, commercial interiors, and comprehensive project management services for businesses of all sizes.
