

# The Weinstein Firm Receives 2025 Best of Georgia Recognition for Personal Injury Legal Services

*December 18, 2025*

ATLANTA, GA - December 18, 2025 -

The Weinstein Firm, a Sandy Springs personal injury law firm, has been named a 2025 Best of Georgia Honorable Mention Winner in the Best Personal Injury Firms category by the Georgia Business Journal. The annual recognition program highlights businesses across Georgia based on reader voting and editorial selection, marking the first time The Weinstein Firm car accident lawyer team has received this distinction.

The Best of Georgia awards program operates through year-round public voting, with readers nominating and voting for businesses they believe deliver exceptional service. The Georgia Business Journal compiles votes and conducts verification reviews before announcing winners across multiple industry categories. Recognition tiers include Best of Georgia designations, Regional Winners, and Honorable Mention recipients, with approximately thirty percent of nominated businesses receiving awards in their respective categories.

The Weinstein Firm has served injury victims throughout the Atlanta metropolitan area since its founding by brothers Michael and Harris Weinstein. Based in Sandy Springs at 5299 Roswell Road, the firm handles car

accidents, truck collisions, motorcycle crashes, pedestrian incidents, and other personal injury matters affecting Georgia residents. The firm's attorneys work on a contingency fee basis, requiring no upfront payment from clients pursuing injury claims.

"This recognition reflects the dedication of our entire team to serving accident victims throughout Georgia," stated Harris Weinstein, Founding Attorney at The Weinstein Firm. "Every attorney, paralegal, and staff member contributes to the results we achieve for clients dealing with the aftermath of serious accidents. Recognition from the community validates the collaborative approach we take to personal injury representation."

The firm has secured multiple seven-figure settlements for injury clients, including a $4.5 million car accident recovery, a $1.5 million truck accident settlement, and an $817,000 negligent security case resolution. The Weinstein Firm's attorneys have received recognition from The National Trial Lawyers Top 100, Top 40 Under 40 designation, and Lawyers of Distinction honors based on peer evaluations and case outcomes.

Personal injury law firms in Georgia handle cases involving vehicle collisions, premises liability incidents, and other accidents resulting from negligence. Successful injury lawyers must navigate insurance negotiations, medical documentation requirements, and liability assessments while advocating for clients facing physical recovery and financial uncertainty. The Weinstein Firm's Sandy Springs location serves clients throughout metropolitan Atlanta, including communities in Fulton, Cobb, DeKalb, and surrounding counties.

Auto accidents remain among the most common sources of injury claims throughout Georgia, with collision cases often requiring detailed investigation of traffic patterns, vehicle maintenance records, and driver behavior. Injury attorneys handling car accident law firm matters must evaluate medical treatment costs, lost income potential, and long-term care needs when determining appropriate compensation for injured clients. The firm's attorneys address these considerations throughout the claims process for accident victims.

The 2025 Best of Georgia recognition follows continued growth in the firm's caseload across multiple practice areas. As Georgia's population and traffic density increase, the firm anticipates sustained demand for legal representation following accidents. The Weinstein Firm continues offering free consultations to individuals evaluating their options after sustaining injuries in incidents caused by another party's actions.

Accident victims throughout the Sandy Springs area and greater Atlanta can contact The Weinstein Firm to discuss personal injury claims resulting from vehicle collisions, slip and fall incidents, or other negligence-based injuries. The firm provides case evaluations at no cost and represents clients on a contingency basis, collecting attorney fees only when securing compensation through settlement or verdict.
