Milestone Church Haslet to Hold Annual ?Prepare? Event

December 22, 2025

Haslet, Texas - December 22, 2025 -
Milestone Church will hold its annual Prepare event from January 5?7, 2026, bringing three days of prayer, fasting, and worship services to its campus in Haslet and livestreamed to participants across the country. Taking place each January, Prepare marks a unified beginning to the year for the Milestone Church community, helping attendees focus on God?s direction for their lives, families, workplaces, and the world around them.

Prepare is structured around nightly services featuring nationally recognized guest speakers, times of worship, and intentional moments of prayer. This year?s speakers include Tom Mullins, the founder of Christ Fellowship Church and Place of Hope; Jabin Chavez, pastor of City Light Church and a recognized leadership voice in ministry; and Dr. Dharius Daniels, a pastor, author, and communicator known for helping others live out their purpose. Each speaker will share timely messages designed to guide the church body into the new year with clarity and spiritual strength.

Nightly services at the Haslet campus will have live worship followed by a broadcast message from the central Keller campus and shown live on-site, with doors opening at 6:00 PM for pre-service prayer followed

by services from 7:00 PM to 8:30 PM. Online access will also be available each evening for those joining remotely. In addition, Milestone Church invites participants to join a daily ten-minute online prayer session at noon, streamed live on Milestone Live, Facebook, and YouTube, and to follow along with daily emailed devotionals provided during the three-day event.

Located at 12300 US-287 in Haslet, the campus will be fully engaged throughout the Prepare experience, creating an environment for individuals and families to gather in worship, prayer, and fasting. Participants will receive printed Prayer Guides to help focus their prayers, and can also visit the in-campus Prayer Wall to write down personal requests during the event.

Prepare is open to the public and does not require advance registration. There is no cost to attend, and the event is accessible for people of all ages and backgrounds. The three-day fast begins on January 5 and concludes at the end of the final service on January 7. While there is no specific fasting requirement, participants are encouraged to choose a meaningful form of fasting?whether dietary or digital?that will help eliminate distractions and create space to hear from God.

Prepare is a cornerstone event for Milestone Church each year. With thousands attending across all campuses and online, the event has become a rhythm of renewal and alignment that many look forward to as they set spiritual priorities for the coming year. The Haslet campus plays a key role in expanding the reach of this experience to the growing number of families and individuals in the north Fort Worth area who are part of the Milestone community.

During Prepare, Milestone staff and volunteers will be available at the Haslet campus to assist attendees and help create a welcoming, distraction-free environment for worship and reflection. Families with young children will be able to utilize the children?s ministry during evening services so that parents and guardians can participate fully in the event.

The goal of Prepare is not just to begin the year with good intentions, but to activate faith, build community, and lay the foundation for what God wants to do in the lives of those attending. Through fasting, prayer, and unified worship, Milestone Church encourages participants to approach 2026 with spiritual focus and a heart open to transformation.

Additional information about Prepare, including livestream links and daily content, can be found on the Milestone Church website.
